## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le traité du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par l [illegible] des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

NOTICE TO MARINERS.

No. 51 of 1890.

SHOAL OFF MIQUELON.

Captain Maréchal, commanding the French Naval Division of Newfoundland, has communicated the existence of a dangerous shoal with only 13 feet water on it 1½ miles from land, west of the French Island of Miquelon, south of Newfoundland, in the Atlantic Ocean.

Lat. N. 47° 4' 10"
Long. W. 56° 25' 16"

From the shoal the Lighthouse on Cap Blanc, Miquelon, bears N. E. ½ E., and the Chapeau de Miquelon, E. by S. ⅛ S.

This shoal generally known by the fishermen under the name of "Briand Shoal," is the most dangerous on account of its extremely small size, and because it is in the immediate vicinity of soundings of 11 fathoms.

This notice affects Admiralty Charts Nos. 232*a*, 303, 893 and 2516.

WM. SMITH,
Deputy Minister of Marine.

Department of Marine,
Ottawa, Canada, 30th September, 1890.

☞ All bearings are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notice of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters to the Deputy Minister of Marine, Ottawa, Canada. 16–3

"Parthia" touched on the 21st June, was made on the 5th instant, and the shoal was found to be nearly circular in shape and about 1½ cables in diameter inside a five fathom line. The middle of the shoal as located on Admiralty chart 922 is in

Lat. N. 49° 18' 8"
Long. W. 123° 6' 23"

From the west edge of the shoal Brockton Point bears S. E. by E. ¾ E.; from its eastern edge the same Point bears S. E. ½ S., and from its northern edge, the extremity of Coal Peninsula, at the entrance to the Narrows bears W. ½ N.

The soundings show no diminution of water south of the shoal, but to the northward the water is somewhat shoaler than shown on the charts.

This notice affects Admiralty charts Nos. 922, 1917, 1922 and 2659.

The buoys described in Notice to Mariners No. 29 of 1888, at the mouth of Sumas River, at the head of the Alberni Canal, in Vancouver Island, British Columbia, have been removed, and replaced by buoys arranged as follows:—

No. 1. A black spar buoy on the outer extremity of the shoal, on the port side of the mouth of the river.

Approximate position, taken from Chart No. 584:

Lat. N. 49° 14' 28"
Long. W. 124° 49' 51"

No. 2. A red spar buoy in the channel on the shoal, on the starboard side of the mouth of the river, close to a prominent snag, a little farther up than, and about 400 feet distant from, No. 1.

No. 3. A black spar buoy at a bend, on the port side of the channel.

No. 4. A red wooden can buoy on the starboard side of the channel, close to a prominent snag, opposite No. 3 and about 500 feet above No. 1.

No. 5. A black spar buoy on the port side of the channel, about 500 feet above No. 3.

No. 6. A red spar buoy opposite No. 5, on the starboard side of the channel, about 500 feet above No. 4.

The spar buoys are moored in 3 feet and show 5 feet above high water spring tides.

The shoalest water, 3 feet, is at the entrance of the river, between Nos. 1 and 2 buoys, and extends for a distance of about 300 feet when it deepens to 5 feet.

Vessels entering should keep buoys Nos. 2 and 4 close on board and then shape a course to pass midway between Nos. 5 and 6; thence to the remains of an old Indian village, keeping the starboard shore on board to the settlement, leaving the ruins of some cribbing on the port side.

## ORDRES EN CONSEIL.

### HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 26e jour de septembre 1890.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Attendu que vu le manque de facilités de communication par chemins de fer pour le transport du poisson après la clôture de la navigation, dans les comtés de Gaspé et Bonaventure, et l'impossibilité de se livrer à la pêche au moyen de filets en forme de sac dans les rivières des comtés ci-dessus mentionnés, les habitants sont privés de la jouissance des avantages et des profits résultant de la pêche à l'éperlan ;

Et attendu que permission a été accordée pendant la dernière saison aux pêcheurs des dits comtés de se servir de seines pour la pêche à l'éperlan, à partir du 16 d'octobre jusqu'à la clôture de la navigation ;

Il plaît, en conséquence, à Son Excellence, en vertu des pouvoirs à lui conférés par "l'Acte des pêcheries," chapitre 95 des Statuts Revisés, et par et de l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que dans les circonstances exceptionnelles et vu la situation isolée des dits pêcheurs, l'usage des seines pour la pêche à l'éperlan soit et il est par le présent permis, à partir du 1er jour d'octobre jusqu'à la clôture de la navigation de chaque année, en vertu de permis spéciaux du ministre de la Marine et des Pêcheries, dans les limites du comté de Gaspé et dans les parties du comté de Bonaventure qui sont sans communications par chemin de fer, à la condition toujours que lors du prolongement du chemin de fer de la Baie des Chaleurs maintenant en construction, les endroits qui se raccorderont de temps à autre au réseau de chemins de fer du Canada, deviendront sujets aux règlements maintenant en force concernant la pêche à l'éperlan dans la Puissance.

Il plaît en outre à Son Excellence, en vertu des pouvoirs ci-haut cités, et par et de l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, que la pêche à l'éperlan au moyen de filets en forme de sacs, qui est actuellement permise, en vertu de licences du ministre de la Marine et des Pêcheries, soit et elle est par le présent défendue, dans les limites ci-dessus mentionnées, sous les mêmes conditions et sujette à la même disposition quant à ce qui regarde le prolongement du chemin de fer tel que susdit, la dite défense devant être levée dans les endroits où le privilège de pêcher au moyen de seines cesse par le prolongement de facilités de communication par chemin de fer.

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

### RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a.*) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le traité du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donne au comité, au moins une semaine avant la prise en considération du bill—

*(a.)* Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

*(b.)* Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

## DEMANDES AU PARLEMENT.

### Règles relatives aux avis de bills privés.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.**

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le traité du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

a moins qu'il n'ait été donne au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait :

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le traité du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

a moins qu'il n'ait été donne au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

### CRAPAUD HARBOUR LIGHTS.

Notice is hereby given, that on and after the 10th day of November, 1890, the following distinguishing day marks will be put in operation in connection with the existing range lights at the port of Crapaud, Province of Prince Edward Island:—

Lat. N. 46° 13' 5"
Long. W. 63° 29' 10"

1. On the south face of the present front range tower, a red diamond will be painted, reaching from the underside of the gallery to the top of the basement window, by the full width of the tower.

2. Attached to the rear of the dwelling house from which the back range light is shown, a slatted diamond-shaped beacon 20 feet high by 12 feet wide, painted white, will be erected such an elevation that the bottom of the diamond will be level with the ridge of the house. This Beacon will show on a background of spruce woods.

These Beacons are erected in consequence of the building of certain houses in the village, making it difficult to distinguish the present marks during the daytime. In entering they are to be kept in line from the outer buoy to the middle buoy on the eastern point of the Tryon Shoal, from which a north-westerly course will lead to the anchorage.

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

### RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a.*) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

Kensington Gore,
London, S.W., 30th Oct., 1890.

My Lord,—I have the honour to inform you that the Montreal Scholarship in this College will become vacant at Easter next, and to request that your Lordship will be good enough to move the Governor General of Canada, to take the necessary steps for the election of a fresh scholar.

The methods to be observed in the election will be, I presume, the same which were adopted at the election of Miss Ella Walker in April, 1886.

I am &c.,
(Sd) GEORGE GROVE,
Director, Royal College of Music.

The Right Hon.
The Lord Knutsford.

## ROYAL COLLEGE OF MUSIC.

President :—H. R. H. the Prince of Wales, K.G.

*Regulations to be observed by Examiners in examining Candidates for the Scholarship.*

Candidates are eligible up to the following ages, which must not be exceeded at the date of their examination :—

Composition—Males and females, 21.
Pianoforte—Males, 18 ; females, 19.
Organ—Males, 19 ; females, 20.
Harp—Males, 18 ; females, 19.
Violin and other stringed instruments—Males and females, 18.
Wind instruments—Males, 20.
Singing—Males, between the ages of 18 and 23 ; females, between those of 17 and 22.

I. Pianists.

1. To play with correct fingering, and at moderate speed, all major and minor scales.

2. To write out a few bars of (say) common, $\frac{3}{2}$ and $\frac{9}{8}$ time, varying the note-lengths as much as possible.

3. If over fourteen years of age, to stretch a ninth with the right hand.

4. To hold any one finger down upon a key, while playing an ascending and descending succession of notes with the other four fingers distinctly and *legato*.

5. To play correctly one of Bach's two-part Inventions ; Cramer's Studies, Nos. 4, 16, and 18 ; and Mendelssohn's Lieder ohne Worte, No. 5, Bk. 1, and No. 6, Bk. 3.

6. To read at sight (say) one of Reinecke's Sonatinas, Op. 47.

Extra marks should be given if the Candidate is able :—

7. To name by ear any note or notes sounded on the piano, the note C having been given.

8. To write down, after hearing it not more than three times, a short and simple phrase of single notes, due regard to be paid to the values as well as the names of the notes.

II.—Organists.

1. To play on the pedals alone all the major and minor scales.

2. To play pieces for two manuals and pedal (such as Bach's Sonatas, Vol. 1 of the Leipsic Edition, or exercises in 3 parts by Rinck or others), showing independent action of the two hands, and hands and feet.

3. To be able to read music fairly at first sight.

4. To improvise on a given theme.

5. To harmonise any given melody at the instrument (such as Chorale, &c.)

III. Violinists.

3. To tell whether a note played out of tune is too sharp or too flat.

4. To write out bars of common, $\frac{3}{2}$ and $\frac{9}{8}$ time.

Great stress should be laid on general knowledge of music ; and other things being equal, a candidate who can play the pianoforte well and knows harmony should be preferred before one who does not.

General intelligence and sense should also count largely.

V. Vocalists.

1. To sing two pieces from the following list according to voice :—

Soprano—" Deh vieni, non tardar "—Mozart.
" From mighty Kings "—Handel.
Contralto—" L'addio "—Mozart.
" O thou that tellest "—Handel.
Tenor—" Dalla sua pace "—Mozart.
" How vain is man "—Handel.
Baritone—" Non piu andrai "—Mozart.
" The Trumpet shall sound "—Handel.
Bass—" Qui sdegno "—Mozart.
" The people that walked "—Handel.

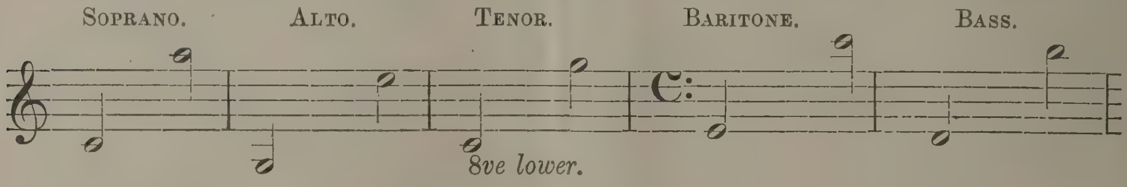
2. To play an easy Sonatina on the pianoforte, say Beethoven, Op. 49, or Clementi, Op. 36.

3. To Solfa at sight the easier Solfeggi of Concone, or a part from an easy Oratorio Chorus.

4. To vocalize with good intonation the long-sustained scale, and scale on the octave.

5. To read aloud with distinct enunciation a short passage from some Standard English work, and write a few lines of English from dictation as a test of general education and intelligence.

Compass of voice should be according to the following table, or nearly so ; but quality of tone and a correct ear should be considered before compass.



The Examination is intended to show that the Candidate has sufficient natural ability and promise to be able to profit by the instruction of the College, and is intended to test musical *capacity* or *promise* rather than actual performance. Attention is, therefore, to be directed, in the case of Instrumentalists, to *intelligent phrasing* and *signs of genuine musical feeling* and *instinct* ; and in the case of Singers, to *quality of voice* and *good ear*—rather than to powers of execution or compass of voice.

It is desirable to ascertain if candidates have any ability in Composition ; and a Candidate may therefore be invited to show some written music of his own composing, and to play or sing it, so as to give the Examiners an opportunity of judging.

In filling up your report the particulars as to Name, Age, Description of Music, &c., should first be inserted; then the results of Examination as they are arrived at; and, finally, either the word "Selected" or "Rejected" should be crossed out, and the Report signed. The Examiners should enquire how long the Candidates have been in training in the subject or subjects in which they are examined, in order that an opinion may be formed as to whether their competency arises from training or from natural ability.

## ORDER OF EXAMINATION.

Candidates should be required to—

1. Play or sing selections from the pieces they bring.
2. Answer questions as to time, key, values of notes, and the meaning of signs and marks of expression which may occur in the pieces performed, and also, if possible, as to the modulations introduced, or, at least, the more simple ones.
3. Play or sing (vocalize) any scales asked for. Special attention should be given to correctness of intonation in the case of vocalists or players of stringed instruments.
4. Read some Music at sight.
5. Play or sing from memory.
6. Name, by ear, notes or combinations of notes struck by the Examiner.

*Additional tests for a higher degree of talent, to be imposed at the option of the Examiners, are—*

7. Transposing, either at first sight or of a passage already learnt.
8. Modulating between keys named by the Examiner, so as to test grammatical knowledge.
9. Preluding or extemporising.

Candidates should bring a Medical Certificate as to soundness of lungs, hearing, and sight, and general health and strength.

Any remarks you may make on the Candidates will be treated as strictly private and confidential.

Pray let the examination be stringent rather than lenient. At the same time allow me to repeat that the object is to discover latent or early merit and capacity, rather than to put forward executive ability, the result of training; and your attention is drawn earnestly to this point.

### HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the affidavit which is required to be made by a person obtaining a homestead entry in the Railway Belt in British Columbia does not correspond with the existing regulations governing such entries as the applicant is required to swear that he does not own any lands in the railway belt, whereas section 13 of said regulations provides that any person may get a homestead who does not hold or own by preemption record or otherwise, under the laws of the Province of British Columbia, more than 160 acres of land within the railway belt,—

I, A. B., do solemnly swear (*or* affirm, *as the case may be*) that I am over eighteen years of age ; that to the best of my knowledge and belief the land in respect of which my application is made is surveyed agricultural land ; it is not chiefly valuable for its timber or for hay land, nor is there upon it any stone or marble quarry, or coal or other mineral having commercial value ; there is not upon it any water power which may serve to drive machinery, nor is it specially valuable by reason of its position, such as being the shore of an important harbor, bridge site or canal site, or being either an actual or prospective railway terminus or station ; that there is no person residing on the said land, nor are there any improvements thereon, and that this application is made for my exclusive use and benefit, with the intention of residing upon and cultivating the said land, and not directly or indirectly for the use or benefit of any other person or persons whomsoever, and that I have not heretofore obtained a homestead on Dominion lands, nor do I hold or own, by preemption record or otherwise under the laws of British Columbia more than 160 acres within the tract known as the Railway Belt in British Columbia.

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Québec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

### RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

*(a.)* Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

*(b.)* Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

### ROYAL COLLEGE OF MUSIC.

President:—H. R. H. the Prince of Wales, K.G.

*Regulations to be observed by Examiners in examining Candidates for the            Scholarship.*

Candidates are eligible up to the following ages, which must not be exceeded at the date of their examination:—

Composition—Males and females, 21.
Pianoforte—Males, 18; females, 19.
Organ—Males, 19; females, 20.
Harp—Males, 18; females, 19.
Violin and other stringed instruments—Males and females, 18.
Wind instruments—Males, 20.
Singing—Males, between the ages of 18 and 23; females, between those of 17 and 22.

I. Pianists.

1. To play with correct fingering, and at moderate speed, all major and minor scales.

2. To write out a few bars of (say) common, $\frac{3}{2}$ and $\frac{9}{8}$ time, varying the note-lengths as much as possible.

3. If over fourteen years of age, to stretch a ninth with the right hand.

4. To hold any one finger down upon a key, while playing an ascending and descending succession of notes with the other four fingers distinctly and *legato*.

5. To play correctly one of Bach's two-part Inventions; Cramer's Studies, Nos. 4, 16, and 18; and Mendelssohn's Lieder ohne Worte, No. 5, Bk. 1, and No. 6, Bk. 3.

6. To read at sight (say) one of Reinecke's Sonatinas, Op. 47.

Extra marks should be given if the Candidate is able :—

7. To name by ear any note or notes sounded on the piano, the note C having been given.

8. To write down, after hearing it not more than three times, a short and simple phrase of single notes, due regard to be paid to the values as well as the names of the notes.

II.—Organists.

1. To play on the pedals alone all the major and minor scales.

2. To play pieces for two manuals and pedal (such as Bach's Sonatas, Vol. 1 of the Leipsic Edition, or exercises in 3 parts by Rinck or others), showing independent action of the two hands, and hands and feet.

3. To be able to read music fairly at first sight.

4. To improvise on a given theme.

5. To harmonise any given melody at the instrument (such as Chorale, &c.)

III. Violinists.

3. To tell whether a note played out of tune is too sharp or too flat.

4. To write out bars of common, $\frac{3}{2}$ and $\frac{9}{8}$ time.

Great stress should be laid on general knowledge of music ; and other things being equal, a candidate who can play the pianoforte well and knows harmony should be preferred before one who does not.

General intelligence and sense should also count largely.

V.—Vocalists.

1. To sing two pieces from the following list according to voice :—

Soprano—" Deh vieni, non tardar "—Mozart.
" From mighty Kings "—Handel.
Contralto—" L'addio "—Mozart.
" O thou that tellest "—Handel.
Tenor—" Dalla sua pace "—Mozart.
" How vain is man "—Handel.
Baritone—" Non piu andrai "—Mozart.
" The Trumpet shall sound "—Handel.
Bass—" Qui sdegno "—Mozart.
" The people that walked "—Handel.

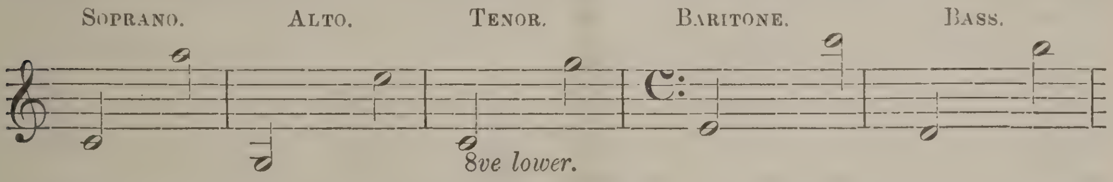
2. To play an easy Sonatina on the pianoforte, say Beethoven, Op. 49, or Clementi, Op. 36.

3. To Solfa at sight the easier Solfeggi of Concone, or a part from an easy Oratorio Chorus.

4. To vocalize with good intonation the long-sustained scale, and scale on the octave.

5. To read aloud with distinct enunciation a short passage from some Standard English work, and write a few lines of English from dictation as a test of general education and intelligence.

Compass of voice should be according to the following table, or nearly so ; but quality of tone and a correct ear should be considered before compass.



The Examination is intended to show that the Candidate has sufficient natural ability and promise to be able to profit by the instruction of the College, and is intended to test musical *capacity* or *promise* rather than actual performance. Attention is, therefore, to be directed, in the case of Instrumentalists, to *intelligent phrasing* and *signs of genuine musical feeling* and *instinct* ; and in the case of Singers, to *quality of voice* and *good ear*—rather than to powers of execution or compass of voice.

It is desirable to ascertain if candidates have any ability in Composition ; and a Candidate may therefore be invited to show some written music of his own composing, and to play or sing it, so as to give the Examiners an opportunity of judging.

In filling up your report the particulars as to Name, Age, Description of Music, &c., should first be inserted; then the results of Examination as they are arrived at ; and, finally, either the word "Selected" or "Rejected" should be crossed out, and the Report signed. The Examiners should enquire how long the Candidates have been in training in the subject or subjects in which they are examined, in order that an opinion may be formed as to whether their competency arises from training or from natural ability.

---

## ORDER OF EXAMINATION.

Candidates should be required to—

1. Play or sing selections from the pieces they bring.

2. Answer questions as to time, key, values of notes, and the meaning of signs and marks of expression which may occur in the pieces performed, and also, if possible, as to the modulations introduced, or, at least, the more simple ones.

3. Play or sing (vocalize) any scales asked for. Special attention should be given to correctness of intonation in the case of vocalists or players of stringed instruments.

4. Read some Music at sight.

5. Play or sing from memory.

6. Name, by ear, notes or combinations of notes struck by the Examiner.

*Additional tests for a higher degree of talent, to be imposed at the option of the Examiners, are—*

7. Transposing, either at first sight or of a passage already learnt.

8. Modulating between keys named by the Examiner, so as to test grammatical knowledge.

9. Preluding or extemporising.

Candidates should bring a Medical Certificate as to soundness of lungs, hearing, and sight, and general health and strength.

Any remarks you may make on the Candidates will be treated as strictly private and confidential.

Pray let the examination be stringent rather than lenient. At the same time allow me to repeat that the object is to discover latent or early merit and capacity, rather than to put forward executive ability, the result of training ; and your attention is drawn earnestly to this point.

## AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 13th day of November, 1890.

PRESENT :

### HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the affidavit which is required to be made by a person obtaining a homestead entry in the Railway Belt in British Columbia does not correspond with the existing regulations governing such entries as the applicant is required to swear that he does not own any lands in the railway belt, whereas section 13 of said regulations provides that any person may get a homestead who does not hold or own by preemption record or otherwise, under the laws of the Province of British Columbia, more than 160 acres of land within the railway belt,—

Therefore His Excellency, under the authority conferred upon him by chapter 56 of the Revised Statutes, intituled " An Act respecting certain Public Lands in British Columbia," and by and with the advice of the Queen's Privy Council for Canada, is pleased to prescribe the following amended form of affidavit, which has received the approval of the Minister of Justice, as the affidavit which is required to be made in support of a claim for homestead entry by any person who has not previously obtained homestead entry, and the same is hereby prescribed accordingly.

JOHN J. McGEE,
Clerk Privy Council.

### FORM C.

Affidavit in support of a claim for homestead entry by a person who has not previously obtained homestead entry.

I, A. B., do solemnly swear (*or* affirm, *as the case may be*) that I am over eighteen years of age ; that to the best of my knowledge and belief the land in respect of which my application is made is surveyed agricultural land ; it is not chiefly valuable for its timber or for hay land, nor is there upon it any stone or marble quarry, or coal or other mineral having commercial value ; there is not upon it any water power which may serve to drive machinery, nor is it specially valuable by reason of its position, such as being the shore of an important harbor, bridge site or canal site, or being either an actual or prospective railway terminus or station ; that there is no person residing on the said land, nor are there any improvements thereon, and that this application is made for my exclusive use and benefit, with the intention of residing upon and cultivating the said land, and not directly or indirectly for the use or benefit of any other person or persons whomsoever, and that I have not heretofore obtained a homestead on Dominion lands, nor do I hold or own, by preemption record or otherwise under the laws of British Columbia more than 160 acres within the tract known as the Railway Belt in British Columbia.

## NOTICE TO MARINERS.

No. 61 of 1890.

### I. SHIFTING OF CHANNEL OVER BAR AT ENTRANCE TO CASCUMPEC HARBOUR.

Information has reached this Department that a storm, on the 24th ultimo, so changed the channel over the sand bar, at the entrance to Cascumpec or Alberton Harbour, on the Gulf of St. Lawrence shore of Prince Edward Island, that there are now not more than 9 feet at high water on the bar in the alignment of the range lights in the town, and consequently extra precautions must be used in entering. It is reported that the best water will probably be found by keeping some distance to the southward of the fairway buoy outside the bar, in passing it, and approaching the alignment on a northwestwardly course.

This notice affects Admiralty Charts Nos. 1747, 2027 and 2666, and Canadian List of Lights Nos. 331*a* and 331*b*.

### II. SAMBRO AUTOMATIC WHISTLING BUOY.

It is the intention of the Government of Canada to establish an automatic whistling buoy, on or about the 15th January next, near the southern end of Sambro outer bank, lying to the southward of Sambro Island, near the entrance to Halifax Harbour, on the southern or Atlantic coast of Nova Scotia.

Lat. N. 44° 21' 30"
Long. W. 63° 30' 15"

The buoy will be painted in alternate black and white vertical stripes, and will be moored in 25 fathoms water.

It is intended for use as a "fairway buoy" for the purpose of aiding vessels seeking the entrance to Halifax Harbour.

From the buoy—

Pennant Point will bear N. $32\frac{1}{2}$° W., or approximately N. W. by N. $\frac{1}{8}$ N., distant $7\frac{1}{2}$ miles.

Sambro Lighthouse will bear N. $4\frac{3}{4}$° W., or approxiately N. $\frac{1}{2}$ W., distant $5\frac{1}{4}$ miles.

Chebucto Head Lighthouse will bear N. $18\frac{1}{4}$° E., or approximately N. by E. $\frac{5}{8}$ E., distant $8\frac{1}{2}$ miles.

Inner Automatic buoy will bear N. 24° E., or approximately N. E. by N. $\frac{7}{8}$ N., distant 10 miles.

Outer Automatic buoy will bear N. $60\frac{3}{4}$° E., or approximately N. E. by E. $\frac{3}{8}$ E., distant 9 miles.

This notice affects Admiralty Charts Nos. 729, 2320, 2410, 2666 and 2670; and the substance of it should be entered in the Canadian List of Lights and Fog Signals, under the No 397*c*, the inner automatic buoy being No. 397*a*, and the outer automatic 397*b*.

### III. CHANGE OF FOG SIGNALS AT SAMBRO ISLAND AND CHEBUCTO HEAD.

It is also proposed some time next Spring, at a date which will be definitely fixed later, to remove the steam fog whistle now at Sambro to Chebucto Head Light Station, and to fire signal bombs from the Sambro Station, both these stations being also in the entrance to Halifax Harbour.

## NOTICE TO MARINERS.

### No. 58 of 1890.

### CRAPAUD HARBOUR LIGHTS.

Notice is hereby given, that on and after the 10th day of November, 1890, the following distinguishing day marks will be put in operation in connection with the existing range lights at the port of Crapaud, Province of Prince Edward Island :—

Lat. N. 46° 13' 5"
Long. W. 63° 29' 10"

1. On the south face of the present front range tower, a red diamond will be painted, reaching from the underside of the gallery to the top of the basement window, by the full width of the tower.

2. Attached to the rear of the dwelling house from which the back range light is shown, a slatted diamond-shaped beacon 20 feet high by 12 feet wide, painted white, will be erected such an elevation that the bottom of the diamond will be level with the ridge of the house. This Beacon will show on a background of spruce woods.

These Beacons are erected in consequence of the building of certain houses in the village, making it difficult to distinguish the present marks during the daytime. In entering they are to be kept in line from the outer buoy to the middle buoy on the eastern point of the Tryon Shoal, from which a north-westerly course will lead to the anchorage.

The substance of this notice should be entered in the Canadian List of Lights under the No. 306.

The whistle is located about 400 feet N. E. by E. ½ E. from the Lighthouse.

Also, that on the same date the fog bell now at this station would be discontinued.

### III. FOG SIGNAL AT OLD MACKINAC POINT, STRAITS OF MACKINAC, MICHIGAN.

Notice has also been given by the United States Lighthouse Board that on and after November 5th, 1890, during thick or foggy weather, a 10-inch steam whistle will be sounded at Old Mackinac Point, Straits of Mackinac, Michigan, given blasts of five seconds' duration, with alternate intervals of seventeen and thirty-three seconds.

The fog-signal house is of corrugated sheet iron, painted brown, with gable facing the Straits.

### IV. PIERHEAD LIGHTS ON THE NORTH EXTENSION OF BURLINGTON BREAKWATER, AND DISCONTINUANCE OF BURLINGTON BREAKWATER NORTH BEACON, LAKE CHAMPLAIN, VERMONT.

Notice has also been given by the same Board that on or about October 22nd, 1890, the fixed red light on the North end of the Burlington Breakwater, Burlington Harbour, Lake Champlain, Vermont, would be discontinued, and a fixed red light of the sixth order be shown from the structure, painted white, recently erected on the north end of the north extension of the breakwater.

## NOTICE TO MARINERS.

No. 60 of 1890.

### I. DESTRUCTION BY FIRE OF CAPE GASPÉ LIGHTHOUSE.

The lighthouse on Cape Gaspé, on the west coast of the Gulf of St. Lawrence, was destroyed by fire on the 7th instant.

Lat. N. 48° 45' 15"
Long. W. 64° 9' 15"

A temporary light of the same character as that destroyed, namely fixed red, will be maintained until the lighthouse tower can be rebuilt.

The fog gun, and also the hand fog horn, will be kept in operation as heretofore.

This notice affects Admiralty Charts Nos. 1163 and 2516, and Canadian List of Lights and Fog Signals No. 21.

### II. ARC AND LIMIT OF VISIBILITY OF CHETICAMP RANGE LIGHTS.

The Range Lights established in Eastern Harbour, Cheticamp, in the County of Inverness and Province of Nova Scotia, as described in Notice to Mariners No. 37 of 1890, should be visible for a distance of 10 miles in, and over a small arc on each side of the alignment. It is doubtful whether the relatively weak illuminating apparatus will admit of their being seen even at that limit, in hazy weather.

The substance of this notice, and of No. 37, should be entered in the Canadian List of Lights under the Nos. 347*a* and 347*b*.

## COLLÈGE ROYAL DE MUSIQUE.

PRÉSIDENT :—S. A. R. LE PRINCE DE GALLES, C. J.

*Règlements que devront observer les examinateurs dans l'examen des aspirants à la bourse de*

Les aspirants sont éligibles jusqu'aux âgesci-dessous, âges qui ne devront pas être dépassés à la date de l'examen :—

Composition—Hommes et femmes, 21.
Piano—Hommes, 18 ; femmes, 19.
Orgue—Hommes, 19 ; femmes, 20.
Harpe—Hommes, 18 ; femmes, 19.
Violon et autres instruments à cordes—Hommes et femmes, 18.
Instruments à vent—Hommes, 20.
Chant—Hommes, entre les âges de 18 et 23 ; femmes, entre 17 et 22.

I. PIANISTES.

1. Jouer avec doigté juste et à une vitesse modérée, toutes les gammes majeures et mineures.
2. Ecrire quelques mesures en temps simple, disons $\frac{3}{2}$ et $\frac{9}{8}$, variant la longueur des notes autant que possible.
3. Si l'aspirant dépasse quatorze ans, étendre un neuvième avec la main droite.
4. Tenir un doigt quelconque posé sur une touche, tout en jouant une suite de notes ascendantes et descendantes avec les quatre autres doigts, distinctement et *legato*.
5. Jouer exactement une des inventions à deux parties de Bach ; les Études de Cramer, Nos. 4 16 et 18 ; et le Lieder ohne Worte de Mendelssohn, N° 5, cahier 1, et N° 6, cahier 3.
6. Lire à première vue, disons, une des sonatines de Reinecke, Op. 47.

Des points spéciaux devraient être accordés si le candidat est capable—

7. De nommer par oreille une note ou des notes sonnées sur le piano, la note C étant donnée.
8. D'écrire après l'avoir entendue pas plus de trois fois, une phrase courte et simple de notes détachées, ayant soin de tenir compte des valeurs ainsi que du nom des notes.

II.—ORGANISTES.

1. Jouer sur les pédales seules toutes les gammes majeures et mineures.
2. Jouer des morceaux pour deux claviers et la pédale (tels que les sonates de Bach, vol. 1 de l'édition de Leipzig, ou les exercices en trois parties par Rinck ou d'autres), montrant l'action indépendante des deux mains, et des mains et des pieds.
3. Etre capable de lire passablement la musique à première vue.
4. Improviser sur un thème donné.
5. Harmoniser toute mélodie donnée à l'instrument (tel qu'un choral, etc.)
6. Indiquer une habileté intellectuelle générale.

III. VIOLONISTES.

1. Jouer lentement les gammes majeures et mineures.
2. Jouer les études par Rode et Kreutzer, etc.
3. Dire si une fausse note est trop ouverte ou trop fermée.
4. Ecrire des mesures de temps simple, $\frac{3}{2}$ et $\frac{9}{8}$.

On devra insister sur une connaissance générale de la musique ; et toutes autres choses égales, un aspirant qui veut bien jouer le piano et connaît l'harmonie, devrait être préféré à celui qui est défectueux sous ce rapport.

L'intelligence générale et le bon sens est un facteur de grande importance.

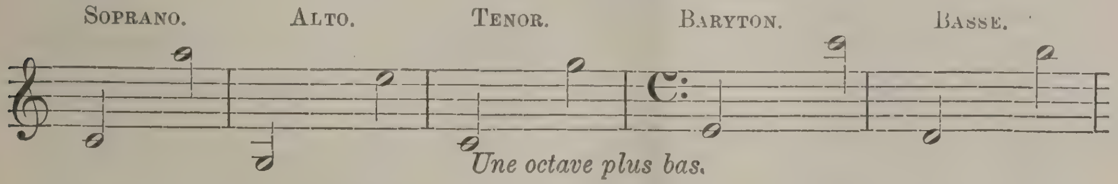
V. VOCALISTES.

1. Chanter deux morceaux de la liste ci-dessous, selon la voix :—

Soprano—" Deh vieni, non tardar "—Mozart.
" From mighty Kings "—Handel.
Contralto—" L'addio "—Mozart.
" O thou that tellest "—Handel.
Ténor—" Dalla sua pace "—Mozart.
" How vain is man "—Handel.
Baryton—" Non piu andrai "—Mozart.
" The Trumpet shall sound "—Handel.
Basse—" Qui sdegno "—Mozart.
" The people that walked "—Handel.

2. Jouer une sonatine facile sur le piano, soit de Beethoven, Op. 49, ou Clementi, Op. 36.
3. Solfier à vue le plus facile solfège de Concone, ou une partie d'un chorus facile d'oratorio.
4. Vocaliser avec bonne intonation, les longues cadences et les octaves.
5. Lire à haute voix avec énonciation distincte un court passage de quelque bon ouvrage anglais, et écrire à la dictée quelques lignes d'anglais, comme épreuve d'éducation et d'intelligence générales.

Le registre de la voix sera calculé selon le tableau ci-dessous, ou aussi près que possible ; mais la qualité du ton et une oreille juste devront passer avant le registre.



L'examen a pour but de montrer si l'aspirant a assez d'habileté naturelle et de talent pour lui permettre de profiter de l'instruction du collège, et est destiné à éprouver la *capacité* ou *talent naturel* plutôt que l'exécution. En conséquence, l'attention est dirigée, dans le cas des instrumentistes, à la *phrase intelligente* et aux *signes d'un véritable sentiment musical* et *d'instinct* ; et dans le cas de chanteurs, à la *qualité de la voix* et à une *bonne oreille*—plutôt qu'aux moyens d'exécution ou de registre de la voix.

Il est désirable de s'assurer si les aspirants ont un talent quelconque pour la composition ; et un aspirant peut en conséquence être invité à montrer quelque musique écrite de sa propre composition, et à la jouer ou la chanter, afin de donner aux examinateurs une occasion d'en juger.

En faisant votre rapport, les détails quant au nom, l'âge, le genre de musique etc., devraient d'abord être insérés ; ensuite les résultats de l'examen, tels qu'obtenus ; et finalement, rayer soit le mot "choisi" soit le mot "rejeté" et signer le rapport. Les examinateurs devraient s'informer depuis combien de temps les candidats ont étudié le sujet ou les sujets sur lesquels ils sont examinés, afin de pouvoir se former une idée si leur habileté provient de l'enseignement ou d'un talent naturel.

## ORDRE DE L'EXAMEN.

Les aspirants devront—

1. Jouer ou chanter des sélections des morceaux qu'ils apportent.
2. Répondre aux questions quant au temps, clé, valeur des notes et la portée des signes et marques d'expression qui se rencontrent dans les morceaux exécutés, et aussi, si c'est possible, quant aux modulations introduites, ou du moins, les plus simples.
3. Jouer ou chanter (vocaliser) toutes gammes demandées. On doit porter une attention spéciale à la justesse de l'intonation dans le cas de vocalistes ou de joueurs d'instruments à cordes.
4. Lire quelque musique à vue.
5. Jouer ou chanter de mémoire.
6. Nommer par oreille, les notes ou combinaisons de notes sonnées par l'examinateur.

*Les épreuves additionnelles pour un plus haut degré de talent, que les examinateurs pourront faire subir, sont—*

7. Transposer, soit à première vue, soit d'un passage déjà appris.
8. Moduler entre les clés nommées par l'examinateur, afin de constater la connaissance grammaticale.
9. Préluder ou improviser.

Les aspirants devront apporter un certificat de médecin quant à la sanité des poumons, de l'ouïe et de la vue, et de santé générale et de vigueur.

Toutes observations faites au sujet des aspirants seront traitées comme strictement confidentielles.

Veuillez voir à ce que l'examen soit plutôt sévère que doux. Permettez-moi en même temps de répéter que le but est de découvrir le mérite latent ou précoce plutôt que de mettre de l'avant les moyens d'exécution résultant de l'enseignement ; et votre attention est attirée sérieusement sur ce point.

AVIS AUX ASPIRANTS.

Les aspirants devront apporter pas moins que trois morceaux de musique, qu'ils auront préparés, un desquels, dans le cas d'instrumentistes, devra être une étude ; et ils exécuteront les parties de ces morceaux que choisiront les examinateurs.

Ils seront censés aussi jouer ou chanter toute gamme requise, lire à vue, et jouer ou chanter de mémoire.

Crédit spécial sera accordé aux aspirants qui, en sus de ce qui précède, seront capables de passer un examen sur la transposition, la modulation entre certaines clés données, et de préluder ou improviser.

Ceux des aspirants qui auront fait des essais de composition pourront soumettre des échantillons de leur travail, et devront être prêts à les jouer, s'ils en sont requis.

## DEMANDES AU PARLEMENT.

### Règles relatives aux avis de bills privés.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Québec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

### Règles additionnelles de la Chambre des Communes concernant les bills privés.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

*(a.)* Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait :

*(b.)* Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

## SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

# DESPATCHES.

Circular.

Downing Street, 25th August, 1890.

Sir,—I have the honour to transmit, herewith, for publication in the Colony under your Government, a copy of the Foreign Jurisdiction Act, 1890 (53 & 54 Victoria, chapter 37), to which I think it right to draw your attention, as some of its provisions bear upon Colonial matters.

For the convenience of your Government I also enclose a copy of an explanatory Memorandum by the Parliamentary Counsel.

I have the honour to be, Sir,
Your most obedient, humble Servant,

KNUTSFORD.

The Officer administering
The Government of Canada.

## FOREIGN JURISDICTION CONSOLIDATION BILL.

### MEMORANDUM.

The object of this Bill is to consolidate the Foreign Jurisdiction Acts with such amendments only as are necessarily incidental to the process of consolidation. The amendments appear from the following notes.

*Section 4.*

The words "or held under the authority of Her Majesty" are added to include courts established under the Foreign Jurisdiction Acts.

*Section 5.*

The Evidence by Commission Act, 1885, has been added to the Acts comprised in the schedule to the Foreign Jurisdiction Act, 1878, as being an enactment amending the Acts in that schedule.

*Section 6.*

Words have been added giving power to define by Order in Council what is meant by the expression "supreme criminal court."

*Section 7.*

In consequence of the alteration of the law with respect to penal servitude, sections 5 and 6 of the Foreign Jurisdiction Act, 1843, cannot be exactly reproduced. The new section reproduces in substance the power given by those sections of removing offenders for punishment, but substitutes the machinery provided by the more recent Colonial Prisoners' Removal Act of 1869.

### *Section* 12.

This section sets out the provisions of 28 and 29 Vict., chap. 63, instead of applying them by reference.

### *Sections* 17, 18.

The Acts 24 and 25 Vict., ch. 31, as to territories near Sierra Leone, and 26 and 27 Vict., ch. 35, as to certain portions of South Africa, are practically superseded by section 5 of the Foreign Jurisdiction Act, 1878 (41 and 42 Vict., ch. 67), which would extend to the whole of Africa and not merely to the limited portions mentioned in the above Acts. Accordingly an Order in Council could at any time supersede the provisions of those Acts. The Act 20 and 21 Vict., ch. 75, as to Siam would have been unnecessary if the Order in Council to which it referred had been made since the passing of the latter Act 29 and 30 Vict., ch. 87, s. 1 (reproduced by section 9). The amending Act 33 and 34 Vict., ch. 55, merely declared what court was to exercise jurisdiction under the previous Order in Council. This might now be done by a supplemental Order in Council. Accordingly it is proposed to repeal all these Acts as Acts, but to leave them in force as if they were Orders in Council issued under the present Bill. A precedent for this course may be found in 37 and 38 Vict., ch. 29, s. 3.

Sections 6 and 7 of the Pacific Islanders Protection Act, 1875, (38 and 39 Vict., ch. 51), are in much the same position, but as the powers given by section 6 were mostly to be exercised by Orders in Council, slightly different language is required.

## CHAPTER 37.

An Act to consolidate the Foreign Jurisdiction Acts.

[4th August 1890]

WHEREAS by treaty, capitulation, grant, usage, sufferance and other lawful means, Her Majesty the Queen has jurisdiction within divers foreign countries, and it is expedient to consolidate the Acts relating to the exercise of Her Majesty's jurisdiction out of Her dominions ;

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

1. It is and shall be lawful for Her Majesty the Queen to hold, exercise, and enjoy any jurisdiction which Her Majesty now has or may at any time hereafter have within a foreign country in the same and as ample a manner as if Her Majesty had acquired that jurisdiction by the cession or conquest of territory.

2. Where a foreign country is not subject to any government from whom Her Majesty the Queen might obtain jurisdiction in the manner recited by this Act, Her Majesty shall by virtue of this Act have jurisdiction over Her Majesty's subjects for the time being resident in or resorting to that country, and that jurisdiction shall be jurisdiction of Her Majesty in a foreign country within the meaning of the other provisions of this Act.

3. Every act and thing done in pursuance of any jurisdiction of Her Majesty in a foreign country shall be as valid as if it had been done according to the local law then in force in that country.

4. If in any proceeding, civil or criminal, in a court in Her Majesty's dominions or held under the authority of Her Majesty any question arises as to the existence or extent of any jurisdiction of Her Majesty in a foreign country, a Secretary of State shall, on the application of the court, send to the court within a reasonable time his decision on the question, and his decision shall for the purposes of the proceeding be final.

(2.) The court shall send to the Secretary of State, in a document under the seal of the court, or signed by a judge of the court, questions framed so as properly to raise the question, and sufficient answers to those questions shall be returned by the Secretary of State to the court, and those answers shall, on production thereof, be conclusive evidence of the matters therein contained.

5.—(1.) It shall be lawful for Her Majesty the Queen in Council, if She thinks fit, by Order to direct that all or any of the enactments described in the first Schedule to this Act, or any enactments for the time being in force amending or substituted for the same, shall extend, with or without any exceptions, adaptations, or modifications in the Order mentioned, to any foreign country in which for the time being Her Majesty has jurisdiction.

(2.) Thereupon those enactments shall, to the extent of that jurisdiction, operate as if that country were a British possession, and as if Her Majesty in Council were the Legislature of that possession.

6.—(1.) Where a person is charged with an offence cognizable by a British court in a foreign country, any person having authority derived from Her Majesty in that behalf may, by warrant, cause the person so charged to be sent for trial to any British possession for the time being appointed in that behalf by Order in Council, and upon the arrival of the person so charged in that British possession, such criminal court of that possession as is authorized in that behalf by Order in Council, or if no court is so authorized, the supreme criminal court of that possession, may cause him to be kept in safe and proper custody, and so soon as conveniently may be may inquire of, try, and determine the offence, and on conviction punish the offender according to the laws in force in that behalf within that possession in the same manner as if the offence had been committed within the jurisdiction of that criminal court.

Provided that—

(*a.*) A person so charged may, before being so sent for trial, tender for examination to a British court in the foreign country where the offence is alleged to have been committed any competent witness whose evidence he deems material for his defence and whom he alleges himself unable to produce at the trial in the British possession :

(*b.*) In such case the British court in the foreign country shall proceed in the examination and cross-examination of the witness as though he had been tendered at a trial before that court, and shall cause the evidence so taken to be reduced into writing, and shall transmit to the criminal court of the British possession by which the person charged is to be tried a copy of the evidence, certified as correct under the seal of the court before which the evidence was taken, or the signature of a judge of that court:

(*c.*) Thereupon the court of the British possession before which the trial takes place shall allow so much of the evidence so taken as would have been admissible according to the law and practice of that court, had the witness been produced and examined at the trial, to be read and received as legal evidence at the trial:

(*d.*) The court of the British possession shall admit and give effect to the law by which the alleged offender would have been tried by the British court in the foreign country in which his offence is alleged to have been committed, so far as that law relates to the criminality of the act alleged to have been committed, or the nature or degree of the offence, or the punishment thereof, if the law differs in those respects from the law in force in that British possession.

(2.) Nothing in this section shall alter or repeal any law, statute, or usage by virtue of which any offence committed out of Her Majesty's dominions may, irrespectively of this Act, be inquired of, tried, determined, and punished within Her Majesty's dominions, or any part thereof.

7. Where an offender convicted before a British court in a foreign country has been sentenced by that court to suffer death, penal servitude, imprisonment, or any other punishment, the sentence shall be carried into effect in such place as may be directed by Order in Council or be determined in accordance with directions given by Order in Council, and the conviction and sentence shall be of the same force in the place in which the sentence is so carried into effect as if the conviction had been made and the sentence passed by a competent court in that place.

8. Where, by Order in Council made in pursuance of this Act, any British court in a foreign country is authorized to order the removal or deportation of any person from that country, that removal or deportation, and any detention for the purposes thereof, according to the provisions of the Order in Council, shall be as lawful as if the order of the court were to have effect wholly within that country.

9. It shall be lawful for Her Majesty the Queen in Council, by Order, to assign to or confer on any court in any British possession, or held under the authority of Her Majesty, any jurisdiction, civil or criminal, original or appellate, which may lawfully by Order in Council be assigned to or conferred on any British court in any foreign country, and to make such provisions and regulations as to Her Majesty in Council seem meet respecting the exercise of the jurisdiction so assigned or conferred, and respecting the enforcement and execution of the judgments, decrees, orders, and sentences of any such court, and respecting appeals therefrom.

10. It shall be lawful for Her Majesty the Queen in Council to revoke or vary any Order in Council made in pursuance of this Act.

11. Every Order in Council made in pursuance of this Act shall be laid before both Houses of Parliament forthwith after it is made, if the Parliament be then in session, and if not, forthwith after the commencement of the then next session of Parliament, and shall have effect as if it were enacted in this Act.

12. (1.) If any Order in Council made in pursuance of this Act as respects any foreign country is in any respect repugnant to the provisions of any Act of any Parliament extending to Her Majesty's subjects in that country, or repugnant to any order or regulation made under the authority of any such Act of Parliament, or having in that country the force and effect of any such Act, it shall be read subject to that Act, order, or regulation, and shall, to the extent of such repugnancy, but not otherwise, be void.

(2.) An Order in Council made in pursuance of this Act shall not be, or be deemed to have been, void on the ground of repugnancy to the law of England unless it is repugnant to the provisions of some such Act of Parliament, order, or regulation as aforesaid.

13. (1.) An action, suit, prosecution, or proceeding against any person for any act done in pursuance or execution or intended execution of this Act, or of any enactment repealed by this Act, or of any Order in Council made under this Act, or of any such jurisdiction of Her Majesty as is mentioned in this Act, or in respect of any alleged neglect or default in the execution of this Act, or of any such enactment, Order in Council, or jurisdiction as aforesaid, shall not lie or be instituted—

(*a.*) in any court within Her Majesty's dominions, unless it is commenced within six months next after the act, neglect, or default complained of, or in case of a continuance of injury or damage within six months next after the ceasing thereof, or where the cause of action arose out of Her Majesty's dominions within six months after the parties to the action, suit, prosecution, or proceeding have been within the jurisdiction of the court in which the same is instituted; nor

(*b.*) in any of Her Majesty's courts without Her Majesty's dominions, unless the cause of action arose within the jurisdiction of that court, and the action is commenced within six months next after the act, neglect, or default complained of, or, in case of a continuance of injury or damage, within six months next after the ceasing thereof.

(2.) In any such action, suit, or proceeding, tender of amends before the same was commenced may be pleaded in lieu of or in addition to any other plea. If the action, suit, or proceeding was commenced after such tender, or is proceeded with after payment into court of any money in satisfaction of the plaintiff's claim, and the plaintiff does not recover more than the sum tendered or paid, he shall not recover any costs incurred after such tender or payment, and the defendant shall be entitled to costs, to be taxed as between solicitor and client, as from the time of such tender or payment; but this provision shall not affect costs on any injunction in the action, suit, or proceeding.

14. It shall be lawful for Her Majesty the Queen in Council to make any law that may seem meet for the government of Her Majesty's subjects being in any vessel at a distance of not more than one hundred miles from the coast of China or of Japan, as fully and effectually as any such law might be made by Her Majesty in Council for the government of Her Majesty's subjects being in China or in Japan.

15. Where any Order in Council made in pursuance of this Act extends to persons enjoying Her Majesty's protection, that expression shall include all subjects of the several princes and states in India.

16. In this Act—

The expression "foreign country" means any country or place out of Her Majesty's dominions:

The expression "British court in a foreign country" means any British court having jurisdiction out of Her Majesty's dominions in pursuance of an Order in Council whether made under any Act or otherwise:

The expression "juridiction" includes power.

17. The Acts mentioned in the Second Schedule to this Act may be revoked or varied by Her Majesty by Order in Council.

18. The Acts mentioned in the Third Schedule to this Act are hereby repealed to the extent in the third column of that schedule mentioned: Provided that,—

(1) Any Order in Council, commission, or instructions made or issued in pursuance of any enactment repealed by this Act, shall, if in force at the passing of this Act, continue in force, until altered or revoked by Her Majesty as if made in pursuance of this Act; and shall, for the purposes of this Act, be deemed to have been made or issued under and in pursuance of this Act; and

(2) Any enactment, Order in Council, or document referring to any enactment repealed by this Act shall be construed to refer to the corresponding enactment of this Act.

19. (1.) This Act may be cited as the Foreign Jurisdiction Act, 1890.

(2.) The Acts whereof the short titles are given in the First Schedule to this Act may be cited by the respective short titles given in that schedule.

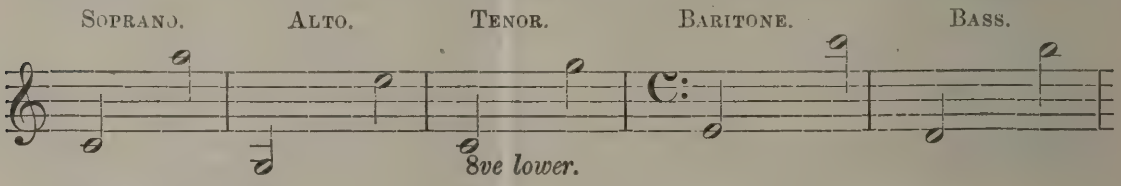
2. To play an easy Sonatina on the pianoforte, say Beethoven, Op. 49, or Clementi, Op. 36.

3. To Solfa at sight the easier Solfeggi of Concone, or a part from an easy Oratorio Chorus.

4. To vocalize with good intonation the long-sustained scale, and scale on the octave.

5. To read aloud with distinct enunciation a short passage from some Standard English work, and write a few lines of English from dictation as a test of general education and intelligence.

Compass of voice should be according to the following table, or nearly so ; but quality of tone and a correct ear should be considered before compass.



The Examination is intended to show that the Candidate has sufficient natural ability and promise to be able to profit by the instruction of the College, and is intended to test musical *capacity* or *promise* rather than actual performance. Attention is, therefore, to be directed, in the case of Instrumentalists, to *intelligent phrasing* and *signs of genuine musical feeling* and *instinct* ; and in the case of Singers, to *quality of voice* and *good ear*—rather than to powers of execution or compass of voice.

It is desirable to ascertain if candidates have any ability in Composition ; and a Candidate may therefore be invited to show some written music of his own composing, and to play or sing it, so as to give the Examiners an opportunity of judging.

In filling up your report the particulars as to Name, Age, Description of Music, &c., should first be inserted; then the results of Examination as they are arrived at ; and, finally, either the word "Selected" or "Rejected" should be crossed out, and the Report signed. The Examiners should enquire how long the Candidates have been in training in the subject or subjects in which they are examined, in order that an opinion may be formed as to whether their competency arises from training or from natural ability.

## ORDER OF EXAMINATION.

Candidates should be required to—

1. Play or sing selections from the pieces they bring.

2. Answer questions as to time, key, values of notes, and the meaning of signs and marks of expression which may occur in the pieces performed, and also, if possible, as to the modulations introduced, or, at least, the more simple ones.

3. Play or sing (vocalize) any scales asked for. Special attention should be given to correctness of intonation in the case of vocalists or players of stringed instruments.

4. Read some Music at sight.

5. Play or sing from memory.

6. Name, by ear, notes or combinations of notes struck by the Examiner.

*Additional tests for a higher degree of talent, to be imposed at the option of the Examiners, are—*

7. Transposing, either at first sight or of a passage already learnt.

8. Modulating between keys named by the Examiner, so as to test grammatical knowledge.

9. Preluding or extemporising.

Candidates should bring a Medical Certificate as to soundness of lungs, hearing, and sight, and general health and strength.

Any remarks you may make on the Candidates will be treated as strictly private and confidential.

Pray let the examination be stringent rather than lenient. At the same time allow me to repeat that the object is to discover latent or early merit and capacity, rather than to put forward executive ability, the result of training; and your attention is drawn earnestly to this point.

They will also be expected to play or sing any scale required, to read at sight, and to play or sing from memory.

### NOTICE TO MARINERS.

No. 61 of 1890.

#### I. SHIFTING OF CHANNEL OVER BAR AT ENTRANCE TO CASCUMPEC HARBOUR.

Information has reached this Department that a storm, on the 24th ultimo, so changed the channel over the sand bar, at the entrance to Cascumpec or Alberton Harbour, on the Gulf of St. Lawrence shore of Prince Edward Island, that there are now not more than 9 feet at high water on the bar in the alignment of the range lights in the town, and consequently extra precautions must be used in entering. It is reported that the best water will probably be found by keeping some distance to the southward of the fairway buoy outside the bar, in passing it, and approaching the alignment on a northwestwardly course.

This notice affects Admiralty Charts Nos. 1747, 2027 and 2666, and Canadian List of Lights Nos. 331*a* and 331*b*.

#### II. SAMBRO AUTOMATIC WHISTLING BUOY.

It is the intention of the Government of Canada to establish an automatic whistling buoy, on or about the 15th January next, near the southern end of Sambro outer bank, lying to the southward of Sambro Island, near the entrance to Halifax Harbour, on the southern or Atlantic coast of Nova Scotia.

Lat. N. 44° 21' 30"
Long. W. 63° 30' 15"

The buoy will be painted in alternate black and white vertical stripes, and will be moored in 25 fathoms water.

It is intended for use as a "fairway buoy" for the purpose of aiding vessels seeking the entrance to Halifax Harbour.

From the buoy—

Pennant Point will bear N. 32½° W., or approximately N. W. by N. ⅛ N., distant 7½ miles.

Sambro Lighthouse will bear N. 4¾° W., or approximately N. ½ W., distant 5¼ miles.

Chebucto Head Lighthouse will bear N. 18¼° E., or approximately N. by E. ⅝ E., distant 8½ miles.

Inner Automatic buoy will bear N. 24° E., or approximately N. E. by N. ⅞ N., distant 10 miles.

Outer Automatic buoy will bear N. 60¾° E., or approximately N. E. by E. ⅜ E., distant 9 miles.

This notice affects Admiralty Charts Nos. 729, 2320, 2410, 2666 and 2670; and the substance of it should be entered in the Canadian List of Lights and Fog Signals, under the No. 397*c*, the inner automatic buoy being No. 397*a*, and the outer automatic 397*b*.

### III. CHANGE OF FOG SIGNALS AT SAMBRO ISLAND AND CHEBUCTO HEAD.

It is also proposed some time next Spring, at a date which will be definitely fixed later, to remove the steam fog whistle now at Sambro to Chebucto Head Light Station, and to fire signal bombs from the Sambro Station, both these stations being also in the entrance to Halifax Harbour.

### BILL DE REFONTE DES LOIS CONCERNANT LA JURIDICTION ÉTRANGÈRE.

MÉMOIRE.

L'objet de ce projet de loi est de refondre les Actes de juridiction étrangère, avec telles modifications seulement qui découlent nécessairement du procédé de refonte. Les modifications sont expliquées dans les notes ci-dessous.

*Article* 4.

Les mots " ou tenu sous l'autorité de Sa Majesté " sont ajoutés afin de comprendre les tribunaux établis en vertu des Actes de juridiction étrangère.

*Article* 4.

L'Acte de la preuve par commission, 1885, a été ajouté aux actes compris dans l'annexe de l'Acte de juridiction étrangère, 1878, comme étant une disposition modifiant les actes de la dite annexe.

*Article* 6.

Des mots ont été ajoutés donnant pouvoir de définir par arrêté en conseil ce qu'on entend par l'expression " cour criminelle suprême."

*Article* 7.

En conséquence du changement apporté à la loi relativement aux travaux forcés, les articles 5 et 6 de l'Acte de juridiction étrangère, 1843, ne peuvent être exactement reproduits. Le nouvel article reproduit en substance le pouvoir donné par ces articles de transférer les délinquants pour punition, mais substitut le rouage établi par le plus récent Acte de la translation des détenus coloniaux de 1869.

*Article* 12.

Cet article énonce les dispositions de 28-29 V., c. 63, au lieu de les appliquer par renvoi.

*Articles* 17 *et* 18.

Les actes 24-25 Vic. ch. 31, quant aux territoires près de Sierra Leone, et 26-27 Vic. ch. 75, quant à certaines parties de l'Afrique du Sud, sont pratiquement remplacées par l'article 5 de l'Acte de juridiction étrangère, 1878 (41-42 Vic. ch. 67), qui s'étendrait à toute l'Afrique et non pas seulement aux petites parties mentionnées dans les susdits actes. En conséquence un arrêté en conseil pourrait en aucun temps remplacer les dispositions de ces actes. L'acte 20-21 Vic. ch. 75, quant à Siam, aurait été inutile si l'arrêté en conseil auquel il réfère avait été passé depuis l'adoption du dernier acte 29-30 Vic. ch. 89, art. 1 (reproduit par l'article 9.) L'acte modificatif 33-34 Vic. ch. 55, déclare simplement quel tribunal doit exercer juridiction en vertu des arrêtés en conseil antérieurs. Ceci pourrait être fait au moyen d'un arrêté en conseil supplémentaire. En conséquence il est proposé d'abroger tous ces actes comme tels, mais de les laisser en vigueur comme s'ils étaient des arrêtés en conseil passés en vertu du présent projet de loi. On peut trouver un précédent pour cette manière d'agir dans 37-38 Vic. ch. 29, art. 3.

Les articles 6 et 7 de l'Acte pour la protection des insulaires du Pacifique, 1875 (38-39 Vic. ch. 51), sont presque identiques, mais vu que les pouvoirs conférés par l'article 6 doivent pour la plupart être exercés au moyen d'arrêtés en conseil, il exige un langage un peu différent.

## CHAPITRE 37.

### Acte à l'effet de refondre les Actes concernant la juridiction étrangère.

[4 août 1890.]

CONSIDÉRANT que par traité, capitulation, cession, usage, tolérance et autres moyens légitimes, Sa Majesté la Reine a juridiction dans divers pays étrangers, et qu'il est à propos de refondre les actes concernant l'exercice de la juridiction de Sa Majesté en dehors de Ses possessions :

Qu'il soit statué, par Sa Très Excellente Majesté la Reine, par et avec l'avis et le consentement des Lords spirituels et temporels et des Communes assemblés en ce présent parlement, et par son autorité, comme suit :

1. Il est et il sera loisible à Sa Majesté la Reine de posséder, exercer et jouir de toute juridiction que Sa Majesté a actuellement ou qu'Elle pourra en tout temps à l'avenir avoir dans un pays étranger, aussi amplement et efficacement que si Sa Majesté avait acquis cette juridiction par la cession ou la conquête de territoire.

2. Quand un pays étranger n'est pas soumis à un gouvernement duquel Sa Majesté la Reine pourrait obtenir juridiction en la manière citée au présent acte, Sa Majesté aura, en vertu du présent acte, juridiction sur les sujets de Sa Majesté résidant alors dans ce pays-là ou le fréquentant, et cette juridiction signifiera juridiction de Sa Majesté dans un pays étranger selon l'intention des autres dispositions du présent acte.

3. Tout acte et chose fait en conformité de toute juridiction de Sa Majesté dans un pays étranger, sera aussi valable que s'il avait été fait suivant la loi locale alors en vigueur dans ce pays-là.

4. Si, dans toute poursuite, au civil ou au criminel, devant un tribunal des possessions de Sa Majesté, ou tenu sous l'autorité de Sa Majesté, un doute est soulevé quant à l'existence ou l'étendue de toute juridiction de Sa Majesté dans un pays étranger, un secrétaire d'Etat transmettra au tribunal, à la demande de ce tribunal, et sous un délai raisonnable, sa décision sur la question, et sa décision sera finale pour toutes les fins de cette poursuite.

(2.) Le tribunal enverra au secrétaire d'Etat, dans un document revêtu du sceau du tribunal, ou signé par un juge du tribunal, des questions dressées de manière à bien exposer le cas, et des réponses suffisantes à ces questions seront renvoyées au tribunal par le secrétaire d'Etat, et ces réponses seront, lors de leur production, une preuve concluante des matières y contenues.

5.—(1) Il sera loisible à Sa Majesté la Reine en conseil, si Elle le juge à propos, d'ordonner par arrêté que tous et chacun des statuts décrits dans la première annexe du présent acte, ou tout statut alors en vigueur les modifiant ou les remplaçant, s'étendront avec ou sans exceptions, adaptations ou modifications dans l'arrêté mentionné, à tout pays étranger dans lequel Sa Majesté a alors juridiction.

(2) Là-dessus ces statuts auront, selon la portée de cette juridiction, le même effet que si ce pays était une possession anglaise, et que si Sa Majesté en conseil était la législature de cette possession.

6.—(1) Quand une personne est accusée d'un délit puni par un tribunal anglais dans un pays étranger, toute personne autorisée à cet effet par Sa Majesté pourra, par mandat, envoyer la personne ainsi accusée dans toute possession anglaise alors désignée à cet effet par arrêté en conseil pour y être jugée, et à l'arrivée de la personne ainsi accusée dans cette possession anglaise, la cour criminelle de cette possession qui est autorisée à cet effet par arrêté en conseil, ou, s'il n'existe pas de tribunal ainsi autorisé, la cour criminelle suprême de cette possession, pourra la faire détenir dans un lieu sûr, et aussitôt que la chose pourra convenablement se faire, instruira, jugera et déterminera le délit, et sur conviction punira le délinquant suivant les lois en vigueur à cet effet dans cette possession de la même manière que si le délit avait été commis dans la juridiction de cette cour criminelle.

Pourvu que—

(*a.*) Toute personne ainsi accusée pourra, avant d'être ainsi envoyée pour subir son procès, offrir pour être interrogé devant un tribunal anglais dans le pays étranger où le délit est censé avoir été commis, tout témoin compétent dont le témoignage lui paraît essentiel à sa défense, et qu'il allègue ne pouvoir produire lui-même au procès dans la possession anglaise :

(*b.*) Dans ce cas le tribunal anglais dans le pays étranger procédera à l'interrogatoire et contre-interrogatoire du témoin de même que s'il avait été produit dans une cause devant ce tribunal, et fera prendre par écrit le témoignage ainsi rendu, et transmettra à la cour criminelle de la possession anglaise qui doit juger la personne accusée, une copie du témoignage certifiée exacte sous le sceau du tribunal devant lequel le témoignage a été rendu, ou la signature d'un juge de ce tribunal :

(*c.*) Là-dessus le tribunal de la possession anglaise devant lequel le procès s'instruit, permettra que telle partie du témoignage ainsi rendu qui serait admissible suivant la loi et la pratique de ce tribunal, si le témoin avait été produit et interrogé au procès, soit lue et reçue comme preuve au procès :

(*d.*) Le tribunal de la possession anglaise admettra et donnera cours à la loi en vertu de laquelle le prévenu aurait été jugé par le tribunal anglais dans le pays étranger où le délit est censé avoir été commis, en tant que cette loi concerne la criminalité de l'acte censé avoir été commis, ou la nature ou degré du délit, ou sa punition, si la loi diffère sous ces rapports de la loi en vigueur dans cette possession anglaise.

(2.) Rien dans le présent article ne changera ni n'altérera aucune loi, statut, ou usage en vertu duquel un délit commis en dehors des possessions de Sa Majesté pourrait, si le présent acte n'avait pas été passé, être instruit, jugé, déterminé et puni dans les possessions de Sa Majesté, ou toute partie d'icelle.

7. Quand un délinquant trouvé coupable devant un tribunal anglais dans une possession anglaise a été condamné par ce tribunal à la peine de mort, aux travaux forcés, à l'emprisonnement, ou à toute autre peine, la sentence sera mise à exécution à l'endroit qui sera fixé par arrêté en conseil ou déterminé en conformité d'ordres donnés par arrêté en conseil, et la conviction et sentence seront du même degré à l'endroit où la sentence est ainsi exécutée que si la conviction avait été obtenue et la sentence prononcée par un tribunal compétent de cet endroit.

8. Lorsque, par arrêté en conseil passé en conformité du présent acte, un tribunal anglais dans un pays étranger est autorisé à ordonner la translation ou la déportation d'une personne de ce pays, cette translation ou cette déportation, et toute détention à cette fin, conformément aux dispositions de l'arrêté en conseil, seront aussi légaux que si l'ordre du tribunal devait être exécuté entièrement dans le dit pays.

9. Il sera loisible à Sa Majesté la Reine en conseil, par arrêté, d'assigner ou de conférer à tout tribunal dans une possession anglaise, ou tenu sous l'autorité de Sa Majesté, toute juridiction, au civil ou au criminel, de première instance ou d'appel, qui peut légalement être assignée ou conférée à un tribunal anglais dans un pays étranger par arrêté en conseil, et d'établir telles dispositions et tels règlements que Sa Majesté en conseil jugera à propos concernant l'exercice de la juridiction ainsi assignée ou conférée, et concernant la mise en vigueur et l'exécution des jugements, décrets, ordres et sentences de tout tel tribunal, et concernant les appels de ce tribunal.

10. Il sera loisible à Sa Majesté la Reine en conseil de révoquer ou modifier tout arrêté en conseil passé en conformité du présent acte.

11. Chaque arrêté en conseil passé en conformité du présent acte sera soumis aux deux Chambres du parlement aussitôt après sa passation, si le parlement siège alors, et sinon, immédiatement après le commencement de la session alors ensuivante du parlement, et aura le même effet que s'il avait été inséré dans le présent acte.

12.—(1.) Si un arrêté en conseil rendu en conformité du présent acte au sujet d'un pays étranger est incompatible sous quelque rapport avec les dispositions d'un acte quelconque du parlement applicable aux sujets de Sa Majesté dans le dit pays, ou incompatible avec tout ordre ou règlement fait sous l'autorité de tout tel acte du parlement, ou ayant dans le dit pays la force et vigueur de tout tel acte, il sera interprété dans le sens de tel acte, ordre ou règlement, et sera nul et non avenu suivant le degré de telle incompatibilité, mais non autrement.

(2.) Un arrêté en conseil fait en conformité du présent acte ne sera ni ne sera censé être nul pour cause d'incompatibilité avec la loi d'Angleterre, sauf s'il vient en conflit avec les dispositions de quelque acte du parlement, ordre ou règlement comme susdit.

13.—(1.) Une action, poursuite ou procédure contre une personne pour un acte fait en conformité ou en exécution ou en exécution projetée du présent acte, ou d'un statut abrogé par le présent acte, ou d'un arrêté en conseil fait en vertu du présent acte, ou de telle juridiction de Sa Majesté spécifiée dans le présent acte, ou au sujet de négligence ou défaut supposé dans l'exécution du présent acte, ou de tout tel statut, arrêté en conseil ou juridiction comme susdit, ne sera du ressort ni ne sera intentée—

(*a.*) dans aucun tribunal dans les possessions de Sa Majesté, à moins qu'elle ne soit commencée sous les six mois qui suivront l'acte, la négligence ou le défaut dont on se plaint, ou, dans le cas d'une continuation de torts ou de dommages, sous les six mois qui suivront immédiatement la cessation de ces torts ou dommages, ou, lorsque la cause de l'action a pris naissance en dehors des possessions de Sa Majesté, sous les six mois après que les parties à l'action, la poursuite ou procédure ont été dans la juridiction du tribunal dans lequel a été intentée la cause ; ni—

(*b*) Dans aucun des tribunaux de Sa Majesté, en dehors des possessions de Sa Majesté, à moins que la cause de l'action n'ait pris naissance dans la juridiction de ce tribunal, et que l'action ne soit commencée sous les six mois immédiatement après l'acte, la négligence ou défaut dont on se plaint, ou, dans le cas de continuation de torts ou dommages, sous les six mois après qu'ils auront cessé.

(2.) Dans toute telle action, poursuite ou procédure, l'offre de réparation avant le commencement du procès pourra être plaidée au lieu et en sus de toute autre défense. Si l'action, poursuite ou procédure était commencée avant cette offre, ou est continuée après le paiement en cour de tous deniers en satisfaction de la réclamation du plaignant, et si le plaignant ne recouvre pas plus que la somme offerte ou payée, il n'aura pas droit à aucuns frais encourus après cette offre ou paiement, et le défendeur aura droit aux frais, qui seront taxés comme entre solliciteur et client, à compter de l'époque de cette offre ou paiement ; mais la présente disposition n'affectera pas les frais d'injonction dans une action, poursuite ou procédure.

14. Il sera loisible à Sa Majesté la Reine en conseil de faire toute loi qui paraîtra convenable pour la gouverne des sujets de Sa Majesté qui se trouvent sur tout navire à une distance de pas plus de cent milles des côtes de la Chine ou du Japon, aussi amplement et effectivement que toute telle loi pourrait être faite par Sa Majesté en conseil pour la gouverne des sujets de Sa Majesté se trouvant en Chine ou au Japon.

15. Quand un arrêté en conseil passé en conformité du présent acte s'étend à des personnes jouissant de la protection de Sa Majesté, cette expression comprendra tous sujets des divers princes et états de l'Inde.

16. Dans le présent acte—

L'expression " pays étranger " signifie tout pays ou endroit en dehors des possessions de Sa Majesté ;

L'expression " tribunal anglais dans un pays étranger " signifie tout tribunal anglais ayant juridiction en dehors des possessions de Sa Majesté en vertu d'un arrêté en conseil passé en conformité d'un acte ou autrement ;

L'expression " juridiction " comprend pouvoir.

17. Les actes mentionnés dans la deuxième annexe du présent acte pourront être abrogés ou modifiés par Sa Majesté par arrêté en conseil.

18. Les actes mentionnés dans la troisième annexe du présent acte sont par le présent abrogés tel que mentionné dans la troisième colonne de la dite annexe:

pourvu que—

(1.) Tout arrêté en conseil, commission ou instructions passé, donnée ou émises en conformité de tout statut abrogé par le présent acte, et qui seront en vigueur lors de la passation du présent acte, continueront en vigueur jusqu'à ce qu'ils soient altérés ou révoqués par Sa Majesté, comme s'ils avaient été faits en conformité du présent acte ; et pour les fins du présent acte, seront censés avoir été passé, donné ou émises en vertu et en conformité du présent acte ; et

(2.) Tout statut, arrêté en conseil ou document se rapportant à un statut abrogé par le présent acte, sera censé se rapporter au statut correspondant du présent acte.

19.—(1.) Le présent acte pourra être cité sous le titre de "Acte de juridiction étrangère, 1890."

(2.) Les actes dont les titres abrégés sont donnés dans la première annexe du présent acte pourront être cités par leurs titres abrégés donnés dans la dite annexe.

Des points spéciaux devraient être accordés si le candidat est capable—

7. De nommer par oreille une note ou des notes sonnées sur le piano, la note C étant donnée.

L'intelligence générale et le bon sens est un facteur de grande importance.

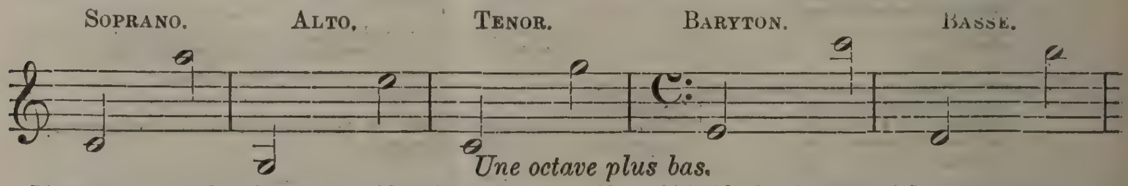
COLLÈGE ROYAL DE MUSIQUE,
KENSINGTON GORE,
LONDRES, S.W., 30 oct. 1890.

MILORD,—J'ai l'honneur de vous informer que la Bourse de Montréal deviendra vacante à Pâques prochain, et de prier Votre Seigneurie de bien vouloir inviter le Gouverneur général du Canada à prendre les mesures nécessaires à l'élection d'un nouvel élève.



L'examen a pour but de montrer si l'aspirant a assez d'habileté naturelle et de talent pour lui permettre de profiter de l'instruction du collège, et est destiné à éprouver la *capacité* ou *talent naturel* plutôt que l'exécution. En conséquence, l'attention est dirigée, dans le cas des instrumentistes, à la *phrase intelligente* et aux *signes d'un véritable sentiment musical* et *d'instinct* ; et dans le cas de chanteurs, à la *qualité de la voix* et à une *bonne oreille*—plutôt qu'aux moyens d'exécution ou de registre de la voix.

Il est désirable de s'assurer si les aspirants ont un talent quelconque pour la composition ; et un aspirant peut en conséquence être invité à montrer quelque musique écrite de sa propre composition, et à la jouer ou la chanter, afin de donner aux examinateurs une occasion d'en juger.

En faisant votre rapport, les détails quant au nom, l'âge, le genre de musique etc., devraient d'abord être insérés ; ensuite les résultats de l'examen, tels qu'obtenus ; et finalement, rayer soit le mot " choisi " soit le mot "rejeté" et signer le rapport. Les examinateurs devraient s'informer depuis combien de temps les candidats ont étudié le sujet ou les sujets sur lesquels ils sont examinés, afin de pouvoir se former une idée si leur habileté provient de l'enseignement ou d'un talent naturel.

---

## ORDRE DE L'EXAMEN.

Les aspirants devront—

1. Jouer ou chanter des sélections des morceaux qu'ils apportent.
2. Répondre aux questions quant au temps, clé, valeur des notes et la portée des signes et marques d'expression qui se rencontrent dans les morceaux exécutés, et aussi, si c'est possible, quant aux modulations introduites, ou du moins, les plus simples.
3. Jouer ou chanter (vocaliser) toutes gammes demandées. On doit porter une attention spéciale à la justesse de l'intonation dans le cas de vocalistes ou de joueurs d'instruments à cordes.
4. Lire quelque musique à vue.
5. Jouer ou chanter de mémoire.
6. Nommer par oreille, les notes ou combinaisons de notes sonnées par l'examinateur.

*Les épreuves additionnelles pour un plus haut degré de talent, que les examinateurs pourront faire subir, sont—*

7. Transposer, soit à première vue, soit d'un passage déjà appris.
8. Moduler entre les clés nommées par l'examinateur, afin de constater la connaissance grammaticale.
9. Préluder ou improviser.

Les aspirants devront apporter un certificat de médecin quant à la santé des poumons, de l'ouïe et de la vue, et de santé générale et de vigueur.

Toutes observations faites au sujet des aspirants seront traitées comme strictement confidentielles.

Veuillez voir à ce que l'examen soit plutôt sévère que doux. Permettez-moi en même temps de répéter que le but est de découvrir le mérite latent ou précoce plutôt que de mettre de l'avant les moyens d'exécution résultant de l'enseignement ; et votre attention est attirée sérieusement sur ce point.

### AVIS AUX ASPIRANTS.

Les aspirants devront apporter pas moins que trois morceaux de musique, qu'ils auront préparés, un desquels, dans le cas d'instrumentistes, devra être une étude ; et ils exécuteront les parties de ces morceaux que choisiront les examinateurs.

Leur connaissance des rudiments de la musique, tels que clés, touches, gammes, mesure, etc., seront éprouvés, et l'on s'attend qu'ils répondront aux questions touchant la signification des signes, marques d'expression, etc. qui se rencontreront dans la musique exécutée, et, si c'est possible, touchant la forme et modulation du morceau. Ils seront censés aussi jouer ou chanter toute gamme requise, lire à vue, et jouer ou chanter de mémoire.

Crédit spécial sera accordé aux aspirants qui, en sus de ce qui précède, seront capables de passer un examen sur la transposition, la modulation entre certaines clés données, et de préluder ou improviser.

Ceux des aspirants qui auront fait des essais de composition pourront soumettre des échantillons de leur travail, et devront être prêts à les jouer, s'ils en sont requis.

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Québec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

### RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

## SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

WHEREAS in pursuance of the provisions of the Canada Temperance Act, the following notice has been addressed to the Secretary of State for Canada, embodying the petition therein set forth:

"To the Honourable the Secretary of State for Canada,—

"Sir,—We, the undersigned electors of the City of Charlottetown, in the Province of Prince Edward Island, request you to take notice that we propose presenting the following petition to His Excellency the Governor General of Canada in Council:—

"'The petition of the electors of the City of Charlottetown, qualified and competent to vote at the election of a member of the House of Commons, in the said city,

"'Respectfully shows, that your petitioners are desirous that the Order in Council passed for bringing into force within the said city the second part of "The Canada Temperance Act, 1878," now known as "The Canada Temperance Act," should be revoked;

"'Wherefore your petitioners humbly pray that Your Excellency will be pleased, by an Order in Council, under section nine of "The Canada Temperance Amendment Act, 1888," to declare that the said Order in Council, which brought into force and effect the said second part of the said "The Canada Temperance Act, 1878," now known as "The Canada Temperance Act," in the said city, shall no longer be in force.

"'And your petitioners will ever pray, &c.'

"And that we desire that the votes of the electors of the said city be taken for and against the revocation of the said Order in Council."

And whereas the second part of the said Act was brought into force in the said City of Charlottetown, in the Province of Prince Edward Island, by an Order in Council dated the 30th June, 1880;

And whereas it appears by evidence to the satisfaction of the Governor General in Council that such notice has appended to it the genuine signatures of one-fourth or more of all the electors of the said City of Charlottetown, in the Province of Prince Edward Island, the number of the signatures to the notice proved to be genuine, being four hundred and seventy-one, and that the other requirements of the law have been observed;

And whereas an Order of the Governor General in Council has been passed directing that the votes of all the electors of the said City of Charlottetown be taken for and against the adoption of the said petition,—

Now Know Ye, that We do hereby, and by virtue of the authority vested in Us by the said Act and Order in Council, proclaim and declare, that on Thursday, the eighth day of January next (1891), a poll will be held in the said City of Charlottetown for taking the votes of the electors for and against the said petition; That such votes will be taken between the hours of nine o'clock in the forenoon and five o'clock in the afternoon of that day and by ballot; That James Curtis, Esquire, Sheriff of Queen's County, has been appointed Returning Officer for the purpose of taking on that day the votes of the electors for and against the petition, and of afterwards summing up the same and making a return of the result to the Governor General in Council; That the said Returning Officer is empowered and required to appoint a Deputy Returning Officer at and for each polling place or station; That the Returning Officer will appoint persons to attend at the various polling stations and at the final summing up of votes, on behalf of the persons interested in and promoting or opposing, respectively, the adoption of the petition, at the Office of the Sheriff of Queen's County, in the said City of Charlottetown, on Monday, the fifth day of January next, at ten of the clock in the forenoon. That the votes of the electors will be summed up and the result of the polling declared by the Returning Officer at the Office of the Sheriff of Queen's County, in the said City of Charlottetown, on Saturday, the tenth day of January next (1891) at ten of the clock in the forenoon.

And in the event of the petition being adopted by the electors, the Governor General in Council may, at any time after the expiration of thirty days from the day on which the same was adopted, and after the expiration of three years from the day of the coming into force of the second part of the said Act, in the said City of Charlottetown, under the said Order in Council dated the thirtieth day of June, one thousand eight hundred and eighty, by Order in Council published in the *Canada Gazette*, revoke the said Order in Council of the thirtieth day of June, one thousand eight hundred and eighty, by which the second part of "The Canada Temperance Act, 1878," was brought into force in the said City of Charlottetown, as therein mentioned.

Of all which Our loving subjects and all others whom these presents may concern, are hereby required to take notice and to govern themselves accordingly.

In Testimony Whereof, We have caused these Our Letters to be made Patent and the Great Seal of Canada to be hereunto affixed. ### FOREIGN JURISDICTION CONSOLIDATION BILL.

#### MEMORANDUM.

The object of this Bill is to consolidate the Foreign Jurisdiction Acts with such amendments only as are necessarily incidental to the process of consolidation. The amendments appear from the following notes.

*Section* 4.

The words "or held under the authority of Her Majesty" are added to include courts established under the Foreign Jurisdiction Acts.

*Section* 5.

The Evidence by Commission Act, 1885, has been added to the Acts comprised in the schedule to the Foreign Jurisdiction Act, 1878, as being an enactment amending the Acts in that schedule.

*Section* 6.

Words have been added giving power to define by Order in Council what is meant by the expression "supreme criminal court."

*Section* 7.

In consequence of the alteration of the law with respect to penal servitude, sections 5 and 6 of the Foreign Jurisdiction Act, 1843, cannot be exactly reproduced. The new section reproduces in substance the power given by those sections of removing offenders for punishment, but substitutes the machinery provided by the more recent Colonial Prisoners' Removal Act of 1869.

*Section* 12.

This section sets out the provisions of 28 and 29 Vict., chap. 63, instead of applying them by reference.

*Sections* 17, 18.

The Acts 24 and 25 Vict., ch. 31, as to territories near Sierra Leone, and 26 and 27 Vict., ch. 35, as to certain portions of South Africa, are practically superseded by section 5 of the Foreign Jurisdiction Act, 1878 (41 and 42 Vict., ch. 67), which would extend to the whole of Africa and not merely to the limited portions mentioned in the above Acts. Accordingly an Order in Council could at any time supersede the provisions of those Acts. The Act 20 and 21 Vict., ch. 75, as to Siam would have been unnecessary if the Order in Council to which it referred had been made since the passing of the latter Act 29 and 30 Vict., ch. 87, s. 1 (reproduced by section 9). The amending Act 33 and 34 Vict., ch. 55, merely declared what court was to exercise jurisdiction under the previous Order in Council. This might now be done by a supplemental Order in Council. Accordingly it is proposed to repeal all these Acts as Acts, but to leave them in force as if they were Orders in Council issued under the present Bill. A precedent for this course may be found in 37 and 38 Vict., ch. 29, s. 3.

Sections 6 and 7 of the Pacific Islanders Protection Act, 1875, (38 and 39 Vict., ch. 51), are in much the same position, but as the powers given by section 6 were mostly to be exercised by Orders in Council, slightly different language is required.

## CHAPTER 37.

An Act to consolidate the Foreign Jurisdiction Acts.

[4th August 1890]

WHEREAS by treaty, capitulation, grant, usage, sufferance and other lawful means, Her Majesty the Queen has jurisdiction within divers foreign countries, and it is expedient to consolidate the Acts relating to the exercise of Her Majesty's jurisdiction out of Her dominions;

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

1. It is and shall be lawful for Her Majesty the Queen to hold, exercise, and enjoy any jurisdiction which Her Majesty now has or may at any time hereafter have within a foreign country in the same and as ample a manner as if Her Majesty had acquired that jurisdiction by the cession or conquest of territory.

2. Where a foreign country is not subject to any government from whom Her Majesty the Queen might obtain jurisdiction in the manner recited by this Act, Her Majesty shall by virtue of this Act have jurisdiction over Her Majesty's subjects for the time being resident in or resorting to that country, and that jurisdiction shall be jurisdiction of Her Majesty in a foreign country within the meaning of the other provisions of this Act.

3. Every act and thing done in pursuance of any jurisdiction of Her Majesty in a foreign country shall be as valid as if it had been done according to the local law then in force in that country.

4. If in any proceeding, civil or criminal, in a court in Her Majesty's dominions or held under the authority of Her Majesty any question arises as to the existence or extent of any jurisdiction of Her Majesty in a foreign country, a Secretary of State shall, on the application of the court, send to the court within a reasonable time his decision on the question, and his decision shall for the purposes of the proceeding be final.

(2.) The court shall send to the Secretary of State, in a document under the seal of the court, or signed by a judge of the court, questions framed so as properly to raise the question, and sufficient answers to those questions shall be returned by the Secretary of State to the court, and those answers shall, on production thereof, be conclusive evidence of the matters therein contained.

5.—(1.) It shall be lawful for Her Majesty the Queen in Council, if She thinks fit, by Order to direct that all or any of the enactments described in the first Schedule to this Act, or any enactments for the time being in force amending or substituted for the same, shall extend, with or without any exceptions, adaptations, or modifications in the Order mentioned, to any foreign country in which for the time being Her Majesty has jurisdiction.

(2.) Thereupon those enactments shall, to the extent of that jurisdiction, operate as if that country were a British possession, and as if Her Majesty in Council were the Legislature of that possession.

6.—(1.) Where a person is charged with an offence cognizable by a British court in a foreign country, any person having authority derived from Her Majesty in that behalf may, by warrant, cause the person so charged to be sent for trial to any British possession for the time being appointed in that behalf by Order in Council, and upon the arrival of the person so charged in that British possession, such criminal court of that possession as is authorized in that behalf by Order in Council, or if no court is so authorized, the supreme criminal court of that possession, may cause him to be kept in safe and proper custody, and so soon as conveniently may be may inquire of, try, and determine the offence, and on conviction punish the offender according to the laws in force in that behalf within that possession in the same manner as if the offence had been committed within the jurisdiction of that criminal court.

Provided that—

(*a*.) A person so charged may, before being so sent for trial, tender for examination to a British court in the foreign country where the offence is alleged to have been committed any competent witness whose evidence he deems material for his defence and whom he alleges himself unable to produce at the trial in the British possession:

(*b*.) In such case the British court in the foreign country shall proceed in the examination and cross-examination of the witness as though he had been tendered at a trial before that court, and shall cause the evidence so taken to be reduced into writing, and shall transmit to the criminal court of the British possession by which the person charged is to be tried a copy of the evidence, certified as correct under the seal of the court before which the evidence was taken, or the signature of a judge of that court:

(*c.*) Thereupon the court of the British possession before which the trial takes place shall allow so much of the evidence so taken as would have been admissible according to the law and practice of that court, had the witness been produced and examined at the trial, to be read and received as legal evidence at the trial:

(*d.*) The court of the British possession shall admit and give effect to the law by which the alleged offender would have been tried by the British court in the foreign country in which his offence is alleged to have been committed, so far as that law relates to the criminality of the act alleged to have been committed, or the nature or degree of the offence, or the punishment thereof, if the law differs in those respects from the law in force in that British possession.

(2.) Nothing in this section shall alter or repeal any law, statute, or usage by virtue of which any offence committed out of Her Majesty's dominions may, irrespectively of this Act, be inquired of, tried, determined, and punished within Her Majesty's dominions, or any part thereof.

7. Where an offender convicted before a British court in a foreign country has been sentenced by that court to suffer death, penal servitude, imprisonment, or any other punishment, the sentence shall be carried into effect in such place as may be directed by Order in Council or be determined in accordance with directions given by Order in Council, and the conviction and sentence shall be of the same force in the place in which the sentence is so carried into effect as if the conviction had been made and the sentence passed by a competent court in that place.

8. Where, by Order in Council made in pursuance of this Act, any British court in a foreign country is authorized to order the removal or deportation of any person from that country, that removal or deportation, and any detention for the purposes thereof, according to the provisions of the Order in Council, shall be as lawful as if the order of the court were to have effect wholly within that country.

9. It shall be lawful for Her Majesty the Queen in Council, by Order, to assign to or confer on any court in any British possession, or held under the authority of Her Majesty, any jurisdiction, civil or criminal, original or appellate, which may lawfully by Order in Council be assigned to or conferred on any British court in any foreign country, and to make such provisions and regulations as to Her Majesty in Council seem meet respecting the exercise of the jurisdiction so assigned or conferred, and respecting the enforcement and execution of the judgments, decrees, orders, and sentences of any such court, and respecting appeals therefrom.

10. It shall be lawful for Her Majesty the Queen in Council to revoke or vary any Order in Council made in pursuance of this Act.

11. Every Order in Council made in pursuance of this Act shall be laid before both Houses of Parliament forthwith after it is made, if the Parliament be then in session, and if not, forthwith after the commencement of the then next session of Parliament, and shall have effect as if it were enacted in this Act.

12. (1.) If any Order in Council made in pursuance of this Act as respects any foreign country is in any respect repugnant to the provisions of any Act of any Parliament extending to Her Majesty's subjects in that country, or repugnant to any order or regulation made under the authority of any such Act of Parliament, or having in that country the force and effect of any such Act, it shall be read subject to that Act, order, or regulation, and shall, to the extent of such repugnancy, but not otherwise, be void.

(2.) An Order in Council made in pursuance of this Act shall not be, or be deemed to have been, void on the ground of repugnancy to the law of England unless it is repugnant to the provisions of some such Act of Parliament, order, or regulation as aforesaid.

13. (1.) An action, suit, prosecution, or proceeding against any person for any act done in pursuance or execution or intended execution of this Act, or of any enactment repealed by this Act, or of any Order in Council made under this Act, or of any such jurisdiction of Her Majesty as is mentioned in this Act, or in respect of any alleged neglect or default in the execution of this Act, or of any such enactment, Order in Council, or jurisdiction as aforesaid, shall not lie or be instituted—

(*a.*) in any court within Her Majesty's dominions, unless it is commenced within six months next after the act, neglect, or default complained of, or in case of a continuance of injury or damage within six months next after the ceasing thereof, or where the cause of action arose out of Her Majesty's dominions within six months after the parties to the action, suit, prosecution, or proceeding have been within the jurisdiction of the court in which the same is instituted; nor

(*b.*) in any of Her Majesty's courts without Her Majesty's dominions, unless the cause of action arose within the jurisdiction of that court, and the action is commenced within six months next after the act, neglect, or default complained of, or, in case of a continuance of injury or damage, within six months next after the ceasing thereof.

(2.) In any such action, suit, or proceeding, tender of amends before the same was commenced may be pleaded in lieu of or in addition to any other plea. If the action, suit, or proceeding was commenced after such tender, or is proceeded with after payment into court of any money in satisfaction of the plaintiff's claim, and the plaintiff does not recover more than the sum tendered or paid, he shall not recover any costs incurred after such tender or payment, and the defendant shall be entitled to costs, to be taxed as between solicitor and client, as from the time of such tender or payment; but this provision shall not affect costs on any injunction in the action, suit, or proceeding.

14. It shall be lawful for Her Majesty the Queen in Council to make any law that may seem meet for the government of Her Majesty's subjects being in any vessel at a distance of not more than one hundred miles from the coast of China or of Japan, as fully and effectually as any such law might be made by Her Majesty in Council for the government of Her Majesty's subjects being in China or in Japan.

15. Where any Order in Council made in pursuance of this Act extends to persons enjoying Her Majesty's protection, that expression shall include all subjects of the several princes and states in India.

16. In this Act—

The expression "foreign country" means any country or place out of Her Majesty's dominions:

The expression "British court in a foreign country" means any British court having jurisdiction out of Her Majesty's dominions in pursuance of an Order in Council whether made under any Act or otherwise:

18. The Acts mentioned in the Third Schedule to this Act are hereby repealed to the extent in the third column of that schedule mentioned: Provided that,—

(1) Any Order in Council, commission, or instructions made or issued in pursuance of any enactment repealed by this Act, shall, if in force at the passing of this Act, continue in force, until altered or revoked by Her Majesty as if made in pursuance of this Act; and shall, for the purposes of this Act, be deemed to have been made or issued under and in pursuance of this Act; and

(2) Any enactment, Order in Council, or document referring to any enactment repealed by this Act shall be construed to refer to the corresponding enactment of this Act.

19. (1.) This Act may be cited as the Foreign Jurisdiction Act, 1890.

## NOTICE TO MARINERS.

### No. 61 of 1890.

### I. SHIFTING OF CHANNEL OVER BAR AT ENTRANCE TO CASCUMPEC HARBOUR.

Information has reached this Department that a storm, on the 24th ultimo, so changed the channel over the sand bar, at the entrance to Cascumpec or Alberton Harbour, on the Gulf of St. Lawrence shore of Prince Edward Island, that there are now not more than 9 feet at high water on the bar in the alignment of the range lights in the town, and consequently extra precautions must be used in entering. It is reported that the best water will probably be found by keeping some distance to the southward of the fairway buoy outside the bar, in passing it, and approaching the alignment on a northwestwardly course.

This notice affects Admiralty Charts Nos. 1747, 2027 and 2666, and Canadian List of Lights Nos. 331*a* and 331*b*.

### II. SAMBRO AUTOMATIC WHISTLING BUOY.

It is the intention of the Government of Canada to establish an automatic whistling buoy, on or about the 15th January next, near the southern end of Sambro outer bank, lying to the southward of Sambro Island, near the entrance to Halifax Harbour, on the southern or Atlantic coast of Nova Scotia.

Lat. N. 44° 21' 30"
Long. W. 63° 30' 15"

The buoy will be painted in alternate black and white vertical stripes, and will be moored in 25 fathoms water.

It is intended for use as a "fairway buoy" for the purpose of aiding vessels seeking the entrance to Halifax Harbour.

From the buoy—

Pennant Point will bear N. 32½° W., or approximately N. W. by N. ⅛ N., distant 7½ miles.

Sambro Lighthouse will bear N. 4¾° W., or approximately N. ½ W., distant 5¼ miles.

Chebucto Head Lighthouse will bear N. 18¼° E., or approximately N. by E. ⅝ E., distant 8½ miles.

Inner Automatic buoy will bear N. 24° E., or approximately N. E. by N. ⅞ N., distant 10 miles.

Outer Automatic buoy will bear N. 60¾° E., or approximately N. E. by E. ⅜ E., distant 9 miles.

This notice affects Admiralty Charts Nos. 729, 2320, 2410, 2666 and 2670 ; and the substance of it should be entered in the Canadian List of Lights and Fog Signals, under the No 397*c*, the inner automatic buoy being No. 397*a*, and the outer automatic 397*b*.

### III. CHANGE OF FOG SIGNALS AT SAMBRO ISLAND AND CHEBUCTO HEAD.

It is also proposed some time next Spring, at a date which will be definitely fixed later, to remove the steam fog whistle now at Sambro to Chebucto Head Light Station, and to fire signal bombs from the Sambro Station, both these stations being also in the entrance to Halifax Harbour.

# DÉPÊCHES.

Circulaire.

DOWNING STREET, 25 août 1890.

MONSIEUR,—J'ai l'honneur de vous transmettre, afin qu'elle soit publiée dans la colonie sous notre gouvernement, copie de l'Acte de juridiction étrangère, 1890 (53-54 V., c. 37) sur lequel je crois à propos d'attirer votre attention, vu que quelques-unes de ses dispositions se rapportent aux affaires coloniales.

Pour l'usage de votre gouvernement je joins aussi copie d'un mémoire explicatif par le conseil du parlement.

J'ai l'honneur d'être, monsieur,
Votre obéissant serviteur,
KNUTSFORD.

A l'administrateur
du gouvernement du Canada.

## BILL DE REFONTE DES LOIS CONCERNANT LA JURIDICTION ÉTRANGÈRE.

### MÉMOIRE.

L'objet de ce projet de loi est de refondre les Actes de juridiction étrangère, avec telles modifications seulement qui découlent nécessairement du procédé de refonte. Les modifications sont expliquées dans les notes ci-dessous.

*Article* 4.

Les mots "ou tenu sous l'autorité de Sa Majesté" sont ajoutés afin de comprendre les tribunaux établis en vertu des Actes de juridiction étrangère.

*Article* 4.

L'Acte de la preuve par commission, 1885, a été ajouté aux actes compris dans l'annexe de l'Acte de juridiction étrangère, 1878, comme étant une disposition modifiant les actes de la dite annexe.

*Article* 6.

Des mots ont été ajoutés donnant pouvoir de définir par arrêté en conseil ce qu'on entend par l'expression "cour criminelle suprême."

*Article* 7.

En conséquence du changement apporté à la loi relativement aux travaux forcés, les articles 5 et 6 de l'Acte de juridiction étrangère, 1843, ne peuvent être exactement reproduits. Le nouvel article reproduit en substance le pouvoir donné par ces articles de transférer les délinquants pour punition, mais substitut le rouage établi par le plus récent Acte de la translation des détenus coloniaux de 1869.

*Article* 12.

Cet article énonce les dispositions de 28-29 V., c. 63, au lieu de les appliquer par renvoi.

*Articles* 17 *et* 18.

Les actes 24-25 Vic. ch. 31, quant aux territoires près de Sierra Leone, et 26-27 Vic. ch. 75, quant à certaines parties de l'Afrique du Sud, sont pratiquement remplacées par l'article 5 de l'Acte de juridiction étrangère, 1878 (41-42 Vic. ch. 67), qui s'étendrait à toute l'Afrique et non pas seulement aux petites parties mentionnées dans les susdits actes. En conséquence un arrêté en conseil pourrait en aucun temps remplacer les dispositions de ces actes. L'acte 20-21 Vic. ch. 75, quant à Siam, aurait été inutile si l'arrêté en conseil auquel il réfère avait été passé depuis l'adoption du dernier acte 29-30 Vic. ch. 89, art. 1 (reproduit par l'article 9.) L'acte modificatif 33-34 Vic. ch. 55, déclare simplement quel tribunal doit exercer juridiction en vertu des arrêtés en conseil antérieurs. Ceci pourrait être fait au moyen d'un arrêté en conseil supplémentaire. En conséquence il est proposé d'abroger tous ces actes comme tels, mais de les laisser en vigueur comme s'ils étaient des arrêtés en conseil passés en vertu du présent projet de loi. On peut trouver un précédent pour cette manière d'agir dans 37-38 Vic. ch. 29, art. 3.

Les articles 6 et 7 de l'Acte pour la protection des insulaires du Pacifique, 1875 (38-39 Vic. ch. 51), sont presque identiques, mais vu que les pouvoirs conférés par l'article 6 doivent pour la plupart être exercés au moyen d'arrêtés en conseil, il exige un langage un peu différent.

## CHAPITRE 37.

### Acte à l'effet de refondre les Actes concernant la juridiction étrangère.

[4 août 1890.]

CONSIDÉRANT que par traité, capitulation, cession, usage, tolérance et autres moyens légitimes, Sa Majesté la Reine a juridiction dans divers pays étrangers, et qu'il est à propos de refondre les actes concernant l'exercice de la juridiction de Sa Majesté en dehors de Ses possessions :

Qu'il soit statué, par Sa Très Excellente Majesté la Reine, par et avec l'avis et le consentement des Lords spirituels et temporels et des Communes assemblés en ce présent parlement, et par son autorité, comme suit :

1. Il est et il sera loisible à Sa Majesté la Reine de posséder, exercer et jouir de toute juridiction que Sa Majesté a actuellement ou qu'Elle pourra en tout temps à l'avenir avoir dans un pays étranger, aussi amplement et efficacement que si Sa Majesté avait acquis cette juridiction par la cession ou la conquête de territoire.

2. Quand un pays étranger n'est pas soumis à un gouvernement duquel Sa Majesté la Reine pourrait obtenir juridiction en la manière citée au présent acte, Sa Majesté aura, en vertu du présent acte, juridiction sur les sujets de Sa Majesté résidant alors dans ce pays-là ou le fréquentant, et cette juridiction signifiera juridiction de Sa Majesté dans un pays étranger selon l'intention des autres dispositions du présent acte.

3. Tout acte et chose fait en conformité de toute juridiction de Sa Majesté dans un pays étranger, sera aussi valable que s'il avait été fait suivant la loi locale alors en vigueur dans ce pays-là.

4. Si, dans toute poursuite, au civil ou au criminel, devant un tribunal des possessions de Sa Majesté, ou tenu sous l'autorité de Sa Majesté, un doute est soulevé quant à l'existence ou l'étendue de toute juridiction de Sa Majesté dans un pays étranger, un secrétaire d'Etat transmettra au tribunal, à la demande de ce tribunal, et sous un délai raisonnable, sa décision sur la question, et sa décision sera finale pour toutes les fins de cette poursuite.

(2.) Le tribunal enverra au secrétaire d'Etat, dans un document revêtu du sceau du tribunal, ou signé par un juge du tribunal, des questions dressées de manière à bien exposer le cas, et des réponses suffisantes à ces questions seront renvoyées au tribunal par le secrétaire d'Etat, et ces réponses seront, lors de leur production, une preuve concluante des matières y contenues.

5.—(1) Il sera loisible à Sa Majesté la Reine en conseil, si Elle le juge à propos, d'ordonner par arrêté que tous et chacun des statuts décrits dans la première annexe du présent acte, ou tout statut alors en vigueur les modifiant ou les remplaçant, s'étendront avec ou sans exceptions, adaptations ou modifications dans l'arrêté mentionné, à tout pays étranger dans lequel Sa Majesté a alors juridiction.

(2) Là-dessus ces statuts auront, selon la portée de cette juridiction, le même effet que si ce pays était une possession anglaise, et que si Sa Majesté en conseil était la législature de cette possession.

6.—(1) Quand une personne est accusée d'un délit puni par un tribunal anglais dans un pays étranger, toute personne autorisée à cet effet par Sa Majesté pourra, par mandat, envoyer la personne ainsi accusée dans toute possession anglaise alors désignée à cet effet par arrêté en conseil pour y être jugée, et à l'arrivée de la personne ainsi accusée dans cette possession anglaise, la cour criminelle de cette possession qui est autorisée à cet effet par arrêté en conseil, ou, s'il n'existe pas de tribunal ainsi autorisé, la cour criminelle suprême de cette possession, pourra la faire détenir dans un lieu sûr, et aussitôt que la chose pourra convenablement se faire, instruira, jugera et déterminera le délit, et sur conviction punira le délinquant suivant les lois en vigueur à cet effet dans cette possession de la même manière que si le délit avait été commis dans la juridiction de cette cour criminelle.

Pourvu que—

(*a.*) Toute personne ainsi accusée pourra, avant d'être ainsi envoyée pour subir son procès, offrir pour être interrogé devant un tribunal anglais dans le pays étranger où le délit est censé avoir été commis, tout témoin compétent dont le témoignage lui paraît essentiel à sa défense, et qu'il allègue ne pouvoir produire lui-même au procès dans la possession anglaise :

(*b.*) Dans ce cas le tribunal anglais dans le pays étranger procédera à l'interrogatoire et contre-interrogatoire du témoin de même que s'il avait été produit dans une cause devant ce tribunal, et fera prendre par écrit le témoignage ainsi rendu, et transmettra à la cour criminelle de la possession anglaise qui doit juger la personne accusée, une copie du témoignage certifiée exacte sous le sceau du tribunal devant lequel le témoignage a été rendu, ou la signature d'un juge de ce tribunal :

(*c.*) Là-dessus le tribunal de la possession anglaise devant lequel le procès s'instruit, permettra que telle partie du témoignage ainsi rendu qui serait admissible suivant la loi et la pratique de ce tribunal, si le témoin avait été produit et interrogé au procès, soit lue et reçue comme preuve au procès :

(*d.*) Le tribunal de la possession anglaise admettra et donnera cours à la loi en vertu de laquelle le prévenu aurait été jugé par le tribunal anglais dans le pays étranger où le délit est censé avoir été commis, en tant que cette loi concerne la criminalité de l'acte censé avoir été commis, ou la nature ou degré du délit, ou sa punition, si la loi diffère sous ces rapports de la loi en vigueur dans cette possession anglaise.

(2.) Rien dans le présent article ne changera ni n'altérera aucune loi, statut, ou usage en vertu duquel un délit commis en dehors des possessions de Sa Majesté pourrait, si le présent acte n'avait pas été passé, être instruit, jugé, déterminé et puni dans les possessions de Sa Majesté, ou toute partie d'icelle.

7. Quand un délinquant trouvé coupable devant un tribunal anglais dans une possession anglaise a été condamné par ce tribunal à la peine de mort, aux travaux forcés, à l'emprisonnement, ou à toute autre peine, la sentence sera mise à exécution à l'endroit qui sera fixé par arrêté en conseil ou déterminé en conformité d'ordres donnés par arrêté en conseil, et la conviction et sentence seront du même degré à l'endroit où la sentence est ainsi exécutée que si la conviction avait été obtenue et la sentence prononcée par un tribunal compétent de cet endroit.

8. Lorsque, par arrêté en conseil passé en conformité du présent acte, un tribunal anglais dans un pays étranger est autorisé à ordonner la translation ou la déportation d'une personne de ce pays, cette translation ou cette déportation, et toute détention à cette fin, conformément aux dispositions de l'arrêté en conseil, seront aussi légaux que si l'ordre du tribunal devait être exécuté entièrement dans le dit pays.

9. Il sera loisible à Sa Majesté la Reine en conseil, par arrêté, d'assigner ou de conférer à tout tribunal dans une possession anglaise, ou tenu sous l'autorité de Sa Majesté, toute juridiction, au civil ou au criminel, de première instance ou d'appel, qui peut légalement être assignée ou conférée à un tribunal anglais dans un pays étranger par arrêté en conseil, et d'établir telles dispositions et tels règlements que Sa Majesté en conseil jugera à propos concernant l'exercice de la juridiction ainsi assignée ou conférée, et concernant la mise en vigueur et l'exécution des jugements, décrets, ordres et sentences de tout tel tribunal, et concernant les appels de ce tribunal.

10. Il sera loisible à Sa Majesté la Reine en conseil de révoquer ou modifier tout arrêté en conseil passé en conformité du présent acte.

11. Chaque arrêté en conseil passé en conformité du présent acte sera soumis aux deux Chambres du parlement aussitôt après sa passation, si le parlement siège alors, et sinon, immédiatement après le commencement de la session alors ensuivante du parlement, et aura le même effet que s'il avait été inséré dans le présent acte.

12.—(1.) Si un arrêté en conseil rendu en conformité du présent acte au sujet d'un pays étranger est incompatible sous quelque rapport avec les dispositions d'un acte quelconque du parlement applicable aux sujets de Sa Majesté dans le dit pays, ou incompatible avec tout ordre ou règlement fait sous l'autorité de tout tel acte du parlement, ou ayant dans le dit pays la force et vigueur de tout tel acte, il sera interprété dans le sens de tel acte, ordre ou règlement, et sera nul et non avenu suivant le degré de telle incompatibilité, mais non autrement.

(2.) Un arrêté en conseil fait en conformité du présent acte ne sera ni ne sera censé être nul pour cause d'incompatibilité avec la loi d'Angleterre, sauf s'il vient en conflit avec les dispositions de quelque acte du parlement, ordre ou règlement comme susdit.

13.—(1.) Une action, poursuite ou procédure contre une personne pour un acte fait en conformité ou en exécution ou en exécution projetée du présent acte, ou d'un statut abrogé par le présent acte, ou d'un arrêté en conseil fait en vertu du présent acte, ou de telle juridiction de Sa Majesté spécifiée dans le présent acte, ou au sujet de négligence ou défaut supposé dans l'exécution du présent acte, ou de tout tel statut, arrêté en conseil ou juridiction comme susdit, ne sera du ressort ni ne sera intentée—

(*a.*) dans aucun tribunal dans les possessions de Sa Majesté, à moins qu'elle ne soit commencée sous les six mois qui suivront l'acte, la négligence ou le défaut dont on se plaint, ou, dans le cas d'une continuation de torts ou de dommages, sous les six mois qui suivront immédiatement la cessation de ces torts ou dommages, ou, lorsque la cause de l'action a pris naissance en dehors des possessions de Sa Majesté, sous les six mois après que les parties à l'action, la poursuite ou procédure ont été dans la juridiction du tribunal dans lequel a été intentée la cause ; ni—

(*b*) Dans aucun des tribunaux de Sa Majesté, en dehors des possessions de Sa Majesté, à moins que la cause de l'action n'ait pris naissance dans la juridiction de ce tribunal, et que l'action ne soit commencée sous les six mois immédiatement après l'acte, la négligence ou défaut dont on se plaint, ou, dans le cas de continuation de torts ou dommages, sous les six mois après qu'ils auront cessé.

(2.) Dans toute telle action, poursuite ou procédure, l'offre de réparation avant le commencement du procès pourra être plaidée au lieu et en sus de toute autre défense. Si l'action, poursuite ou procédure était commencée avant cette offre, ou est continuée après le paiement en cour de tous deniers en satisfaction de la réclamation du plaignant, et si le plaignant ne recouvre pas plus que la somme offerte ou payée, il n'aura pas droit à aucuns frais encourus après cette offre ou paiement, et le défendeur aura droit aux frais, qui seront taxés comme entre solliciteur et client, à compter de l'époque de cette offre ou paiement ; mais la présente disposition n'affectera pas les frais d'injonction dans une action, poursuite ou procédure.

14. Il sera loisible à Sa Majesté la Reine en conseil de faire toute loi qui paraîtra convenable pour la gouverne des sujets de Sa Majesté qui se trouvent sur tout navire à une distance de pas plus de cent milles des côtes de la Chine ou du Japon, aussi amplement et effectivement que toute telle loi pourrait être faite par Sa Majesté en conseil pour la gouverne des sujets de Sa Majesté se trouvant en Chine ou au Japon.

15. Quand un arrêté en conseil passé en conformité du présent acte s'étend à des personnes jouissant de la protection de Sa Majesté, cette expression comprendra tous sujets des divers princes et états de l'Inde.

16. Dans le présent acte—

L'expression " pays étranger " signifie tout pays ou endroit en dehors des possessions de Sa Majesté ;

L'expression " tribunal anglais dans un pays étranger " signifie tout tribunal anglais ayant juridiction en dehors des possessions de Sa Majesté en vertu d'un arrêté en conseil passé en conformité d'un acte ou autrement ;

L'expression " juridiction " comprend pouvoir.

17. Les actes mentionnés dans la deuxième annexe du présent acte pourront être abrogés ou modifiés par Sa Majesté par arrêté en conseil.

18. Les actes mentionnés dans la troisième annexe du présent acte sont par le présent abrogés tel que mentionné dans la troisième colonne de la dite annexe:

Pourvu que—

(1.) Tout arrêté en conseil, commission ou instructions passé, donnée ou émises en conformité de tout statut abrogé par le présent acte, et qui seront en vigueur lors de la passation du présent acte, continueront en vigueur jusqu'à ce qu'ils soient altérés ou révoqués par Sa Majesté, comme s'ils avaient été faits en conformité du présent acte ; et pour les fins du présent acte, seront censés avoir été passé, donné ou émises en vertu et en conformité du présent acte ; et

(2.) Tout statut, arrêté en conseil ou document se rapportant à un statut abrogé par le présent acte, sera censé se rapporter au statut correspondant du présent acte.

19.—(1.) Le présent acte pourra être cité sous le titre de "Acte de juridiction étrangère, 1890."

(2.) Les actes dont les titres abrégés sont donnés dans la première annexe du présent acte pourront être cités par leurs titres abrégés donnés dans la dite annexe.

### SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT qu'il est pourvu par la clause 2 des Règlements concernant la vente de terres fédérales contenant des minéraux autres que la houille, établis par l'arrêté en conseil du 9e jour de novembre 1889, chapitre 99 des Arrêtés en conseil refondus du Canada, qu'aucune concession minière ou emplacement minier ne sera accordé avant la découverte d'une veine, d'un filon ou gisement de minerai ou métal dans les limites de la concession ou de l'emplacement.

Et considérant qu'il est jugé que cette disposition pourrait avoir l'effet de retarder le développement des terres supposées contenir du pétrole,—

A ces causes il plaît à Son Excellence, en vertu de l'autorité qui lui est conférée par " l'Acte des terres fédérales," chapitre 54 des Statuts Revisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que le dit article ainsi que l'article 2 de l'arrêté en conseil du 5e jour d'octobre 1887, établissant des règlements pour la vente de terrains miniers autres que des terrains houillers, soient et ils sont par le présent modifiés de manière qu'un requérant, qui s'est d'ailleurs conformé aux exigences des règlements, pourra obtenir une inscription pour une concession en par lui faisant une déclaration sous serment que d'après les indices il croit véritablement qu'il existe du pétrole sur la concession demandée, la concession ne devant pas, toutefois, être vendue au requérant sous la période de cinq ans à compter de la date de l'inscription prescrite par les règlements, sauf s'il peut, en sus de s'être conformé aux exigences susdites, prouver à la satisfaction du ministre de l'Intérieur qu'il a sur cette concession au moins un puits de pétrole en opération, et qu'il en retire du pétrole en quantités rémunératives ; pourvu aussi que si, à l'expiration de cinq ans après la date à laquelle le requérant obtient une inscription, il ne peut fournir la dite preuve, l'inscription sera annulée, et les droits et privilèges de la personne obtenant l'inscription cessera alors et là à l'égard de cette concession.

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Québec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a.*) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

*(a.)* Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

*(b.)* Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

## SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

## FOREIGN JURISDICTION CONSOLIDATION BILL.

### MEMORANDUM.

The object of this Bill is to consolidate the Foreign Jurisdiction Acts with such amendments only as are necessarily incidental to the process of consolidation. The amendments appear from the following notes.

*Section* 4.

The words "or held under the authority of Her Majesty" are added to include courts established under the Foreign Jurisdiction Acts.

*Section* 5.

The Evidence by Commission Act, 1885, has been added to the Acts comprised in the schedule to the Foreign Jurisdiction Act, 1878, as being an enactment amending the Acts in that schedule.

*Section* 6.

Words have been added giving power to define by Order in Council what is meant by the expression "supreme criminal court."

*Section* 7.

In consequence of the alteration of the law with respect to penal servitude, sections 5 and 6 of the Foreign Jurisdiction Act, 1843, cannot be exactly reproduced. The new section reproduces in substance the power given by those sections of removing offenders for punishment, but substitutes the machinery provided by the more recent Colonial Prisoners' Removal Act of 1869.

*Section* 12.

This section sets out the provisions of 28 and 29 Vict., chap. 63, instead of applying them by reference.

*Sections* 17, 18.

The Acts 24 and 25 Vict., ch. 31, as to territories near Sierra Leone, and 26 and 27 Vict., ch. 35, as to certain portions of South Africa, are practically superseded by section 5 of the Foreign Jurisdiction Act, 1878 (41 and 42 Vict., ch. 67), which would extend to the whole of Africa and not merely to the limited portions mentioned in the above Acts. Accordingly an Order in Council could at any time supersede the provisions of those Acts. The Act 20 and 21 Vict., ch. 75, as to Siam would have been unnecessary if the Order in Council to which it referred had been made since the passing of the latter Act 29 and 30 Vict., ch. 87, s. 1 (reproduced by section 9). The amending Act 33 and 34 Vict., ch. 55, merely declared what court was to exercise jurisdiction under the previous Order in Council. This might now be done by a supplemental Order in Council. Accordingly it is proposed to repeal all these Acts as Acts, but to leave them in force as if they were Orders in Council issued under the present Bill. A precedent for this course may be found in 37 and 38 Vict., ch. 29, s. 3.

Sections 6 and 7 of the Pacific Islanders Protection Act, 1875, (38 and 39 Vict., ch. 51), are in much the same position, but as the powers given by section 6 were mostly to be exercised by Orders in Council, slightly different language is required.

## CHAPTER 37.

An Act to consolidate the Foreign Jurisdiction Acts.

[4th August 1890]

WHEREAS by treaty, capitulation, grant, usage, sufferance and other lawful means, Her Majesty the Queen has jurisdiction within divers foreign countries, and it is expedient to consolidate the Acts relating to the exercise of Her Majesty's jurisdiction out of Her dominions;

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

1. It is and shall be lawful for Her Majesty the Queen to hold, exercise, and enjoy any jurisdiction which Her Majesty now has or may at any time hereafter have within a foreign country in the same and as ample a manner as if Her Majesty had acquired that jurisdiction by the cession or conquest of territory.

2. Where a foreign country is not subject to any government from whom Her Majesty the Queen might obtain jurisdiction in the manner recited by this Act, Her Majesty shall by virtue of this Act have jurisdiction over Her Majesty's subjects for the time being resident in or resorting to that country, and that jurisdiction shall be jurisdiction of Her Majesty in a foreign country within the meaning of the other provisions of this Act.

3. Every act and thing done in pursuance of any jurisdiction of Her Majesty in a foreign country shall be as valid as if it had been done according to the local law then in force in that country.

4. If in any proceeding, civil or criminal, in a court in Her Majesty's dominions or held under the authority of Her Majesty any question arises as to the existence or extent of any jurisdiction of Her Majesty in a foreign country, a Secretary of State shall, on the application of the court, send to the court within a reasonable time his decision on the question, and his decision shall for the purposes of the proceeding be final.

(2.) The court shall send to the Secretary of State, in a document under the seal of the court, or signed by a judge of the court, questions framed so as properly to raise the question, and sufficient answers to those questions shall be returned by the Secretary of State to the court, and those answers shall, on production thereof, be conclusive evidence of the matters therein contained.

5.—(1.) It shall be lawful for Her Majesty the Queen in Council, if She thinks fit, by Order to direct that all or any of the enactments described in the first Schedule to this Act, or any enactments for the time being in force amending or substituted for the same, shall extend, with or without any exceptions, adaptations, or modifications in the Order mentioned, to any foreign country in which for the time being Her Majesty has jurisdiction.

(2.) Thereupon those enactments shall, to the extent of that jurisdiction, operate as if that country were a

British possession, and as if Her Majesty in Council were the Legislature of that possession.

6.—(1.) Where a person is charged with an offence cognizable by a British court in a foreign country, any person having authority derived from Her Majesty in that behalf may, by warrant, cause the person so charged to be sent for trial to any British possession for the time being appointed in that behalf by Order in Council, and upon the arrival of the person so charged in that British possession, such criminal court of that possession as is authorized in that behalf by Order in Council, or if no court is so authorized, the supreme criminal court of that possession, may cause him to be kept in safe and proper custody, and so soon as conveniently may be may inquire of, try, and determine the offence, and on conviction punish the offender according to the laws in force in that behalf within that possession in the same manner as if the offence had been committed within the jurisdiction of that criminal court.

Provided that—

(*a.*) A person so charged may, before being so sent for trial, tender for examination to a British court in the foreign country where the offence is alleged to have been committed any competent witness whose evidence he deems material for his defence and whom he alleges himself unable to produce at the trial in the British possession:

(*b.*) In such case the British court in the foreign country shall proceed in the examination and cross-examination of the witness as though he had been tendered at a trial before that court, and shall cause the evidence so taken to be reduced into writing, and shall transmit to the criminal court of the British possession by which the person charged is to be tried a copy of the evidence, certified as correct under the seal of the court before which the evidence was taken, or the signature of a judge of that court:

(*c.*) Thereupon the court of the British possession before which the trial takes place shall allow so much of the evidence so taken as would have been admissible according to the law and practice of that court, had the witness been produced and examined at the trial, to be read and received as legal evidence at the trial:

(*d.*) The court of the British possession shall admit and give effect to the law by which the alleged offender would have been tried by the British court in the foreign country in which his offence is alleged to have been committed, so far as that law relates to the criminality of the act alleged to have been committed, or the nature or degree of the offence, or the punishment thereof, if the law differs in those respects from the law in force in that British possession.

(2.) Nothing in this section shall alter or repeal any law, statute, or usage by virtue of which any offence committed out of Her Majesty's dominions may, irrespectively of this Act, be inquired of, tried, determined, and punished within Her Majesty's dominions, or any part thereof.

7. Where an offender convicted before a British court in a foreign country has been sentenced by that court to suffer death, penal servitude, imprisonment, or any other punishment, the sentence shall be carried into effect in such place as may be directed by Order in Council or be determined in accordance with directions given by Order in Council, and the conviction and sentence shall be of the same force in the place in which the sentence is so carried into effect as if the conviction had been made and the sentence passed by a competent court in that place.

8. Where, by Order in Council made in pursuance of this Act, any British court in a foreign country is authorized to order the removal or deportation of any person from that country, that removal or deportation, and any detention for the purposes thereof, according to the provisions of the Order in Council, shall be as lawful as if the order of the court were to have effect wholly within that country.

9. It shall be lawful for Her Majesty the Queen in Council, by Order, to assign to or confer on any court in any British possession, or held under the authority of Her Majesty, any jurisdiction, civil or criminal, original or appellate, which may lawfully by Order in Council be assigned to or conferred on any British court in any foreign country, and to make such provisions and regulations as to Her Majesty in Council seem meet respecting the exercise of the jurisdiction so assigned or conferred, and respecting the enforcement and execution of the judgments, decrees, orders, and sentences of any such court, and respecting appeals therefrom.

10. It shall be lawful for Her Majesty the Queen in Council to revoke or vary any Order in Council made in pursuance of this Act.

11. Every Order in Council made in pursuance of this Act shall be laid before both Houses of Parliament forthwith after it is made, if the Parliament be then in session, and if not, forthwith after the commencement of the then next session of Parliament, and shall have effect as if it were enacted in this Act.

12. (1.) If any Order in Council made in pursuance of this Act as respects any foreign country is in any respect repugnant to the provisions of any Act of any Parliament extending to Her Majesty's subjects in that country, or repugnant to any order or regulation made under the authority of any such Act of Parliament, or having in that country the force and effect of any such Act, it shall be read subject to that Act, order, or regulation, and shall, to the extent of such repugnancy, but not otherwise, be void.

(2.) An Order in Council made in pursuance of this Act shall not be, or be deemed to have been, void on the ground of repugnancy to the law of England unless it is repugnant to the provisions of some such Act of Parliament, order, or regulation as aforesaid.

13. (1.) An action, suit, prosecution, or proceeding against any person for any act done in pursuance or execution or intended execution of this Act, or of any enactment repealed by this Act, or of any Order in Council made under this Act, or of any such jurisdiction of Her Majesty as is mentioned in this Act, or in respect of any alleged neglect or default in the execution of this Act, or of any such enactment, Order in Council, or jurisdiction as aforesaid, shall not lie or be instituted—

(*a.*) in any court within Her Majesty's dominions, unless it is commenced within six months next after the act, neglect, or default complained of, or in case of a continuance of injury or damage within six months next after the ceasing thereof, or where the cause of action arose out of Her Majesty's dominions within six months after the parties to the action, suit, prosecution, or proceeding have been within the jurisdiction of the court in which the same is instituted; nor

(*b.*) in any of Her Majesty's courts without Her Majesty's dominions, unless the cause of action arose within the jurisdiction of that court, and the action is commenced within six months next after the act, neglect, or default complained of, or, in case of a continuance of injury or damage, within six months next after the ceasing thereof.

(2.) In any such action, suit, or proceeding, tender of amends before the same was commenced may be pleaded in lieu of or in addition to any other plea. If the action, suit, or proceeding was commenced after such tender, or is proceeded with after payment into court of any money in satisfaction of the plaintiff's claim, and the plaintiff does not recover more than the sum tendered or paid, he shall not recover any costs incurred after such tender or payment, and the defendant shall be entitled to costs, to be taxed as between solicitor and client, as from the time of such tender or payment; but this provision shall not affect costs on any injunction in the action, suit, or proceeding.

14. It shall be lawful for Her Majesty the Queen in Council to make any law that may seem meet for the government of Her Majesty's subjects being in any vessel at a distance of not more than one hundred miles from the coast of China or of Japan, as fully and effectually as any such law might be made by Her Majesty in Council for the government of Her Majesty's subjects being in China or in Japan.

15. Where any Order in Council made in pursuance of this Act extends to persons enjoying Her Majesty's protection, that expression shall include all subjects of the several princes and states in India.

16. In this Act—

The expression "foreign country" means any country or place out of Her Majesty's dominions:

The expression "British court in a foreign country" means any British court having jurisdiction out of Her Majesty's dominions in pursuance of an Order in Council whether made under any Act or otherwise:

The expression "juridiction" includes power.

17. The Acts mentioned in the Second Schedule to this Act may be revoked or varied by Her Majesty by Order in Council.

18. The Acts mentioned in the Third Schedule tc this Act are hereby repealed to the extent in the third column of that schedule mentioned: Provided that,—

(1) Any Order in Council, commission, or instructions made or issued in pursuance of any enactment repealed by this Act, shall, if in force at the passing of this Act, continue in force, until altered or revoked by Her Majesty as if made in pursuance of this Act; and shall, for the purposes of this Act, be deemed to have been made or issued under and in pursuance of this Act; and

(2) Any enactment, Order in Council, or document referring to any enactment repealed by this Act shall be construed to refer to the corresponding enactment of this Act.

19. (1.) This Act may be cited as the Foreign Jurisdiction Act, 1890.

(2.) The Acts whereof the short titles are given in the First Schedule to this Act may be cited by the respective short titles given in that schedule.

## NOTICE TO MARINERS.

### No. 64 of 1890.

### CHANGES IN SIGNAL STATIONS IN THE RIVER AND GULF OF ST. LAWRENCE.

The following changes have been made in the Marine Signal Stations enumerated in Notice to Mariners No. 5 of 1886 :—

1. The semaphore at Rivière du Loup Lighthouse is no longer used, but the station continues as an ordinary flag and telegraph station.

2. The station at Brandy Pots Lighthouse has been discontinued.

3. The flag and ice report station at Etang du Nord Lighthouse, on the Magdalen Islands, has been discontinued.

4. The flag, telegraph and ice report station on the Great Bird Rock, has also been discontinued, and the cable connecting that station with Grosse Isle has been taken up ; the flags have, however, been retained at the Light Station, in case the light keeper requires to signal passing vessels.

5. A cable has been laid from Meat Cove, on the north extremity of Cape Breton Island, to St. Paul's Island, and a flag and telegraph station has been established at the main establishment on St. Paul's Island, about 537 miles from Quebec. Full information can be obtained at this station, during the months of April and May, respecting the state of the ice in the River and Gulf.

6. The several stations on Sable Island, off the south-east coast of Nova Scotia, have been connected by telephone for the sake of facilitating communication between the different parts of the island.

7. The use of semaphores at all stations has been abandoned in consequence of the preference of vessels for the flag code.

This Notice affects Admiralty Charts Nos. 232*a*, 302, 306 to 315, 1134, 1147, 1149, 1150, 2171, 2516, 2666 and 2727, and Canadian List of Lights Nos. 7*a*, 9*a*, 10, 13, 32, 36 and 50.

The Rules and Regulations by which are governed all the Marine Signalling Stations in the River and Gulf are here reproduced for the information of Mariners.

### RULES AND REGULATIONS.

1st. Vessels exhibiting their distinctive numbers will have their names transmitted to the local press (for publication only) *free of charge.*

2nd. Despatches to or from vessels within signalling distance, by the International Code, either by flags or semaphores, will be duly delivered as addressed.

3rd. Despatches will be charged for at the ordinary telegraph rates, between stations ; but no charge will be made for signalling between coast stations and vessels at sea.

4th. Despatches may (by special request) be delivered in cipher, otherwise they will be transmitted in ordinary language.

5th. Vessels may obtain information as to winds, weather and ice at any signal station within the River and Gulf of St. Lawrence *free of charge.*

6th. The stations on Anticosti, Amherst, Grosse Isle and St. Paul Islands, at Meat Cove and Cape Ray, are kept specially informed respecting the state of navigation in the River and Gulf during the months of April and May.

### No. 66 of 1890.

### I. NEWCASTLE LIGHTHOUSE.

A lighthouse established by the Newcastle Harbour Company at Newcastle Harbour, on the north shore of Lake Ontario, in the County of Durham, and Province of Ontario, was put in operation on the opening of navigation this year.

This harbour is now located at the point marked on Admiralty Charts "Bond Head," but that name is not now used.

The harbour was originally a marsh through which ran a stream ; the entrance is protected by two breakwater piers, and the lighthouse stands on the outer end of the more easterly one.

Lat. N. 43° 53' 35"
Long. W. 78° 34' 0"

The light is fixed white, elevated 29 feet above the level of the lake, and should be visible 10 miles from all points of approach.

The illuminating apparatus is dioptric, of small size.

The lighthouse consists of a small wooden tower rising from the roof of a storehouse built on the end of the wharf, and is surmounted by an iron lantern; the whole painted white.

The height from the top of the wharf to the vane on the lantern is 28 feet.

This light replaces a less powerful light of the same description, which has been maintained by the Newcastle Harbour Company since 1847, and will in future be regularly maintained by the Company similarly to Government lights on the lakes.

This notice affects Admiralty Charts Nos. 797 and 1152, and the substance of it should be entered in the Canadian List of Lights under the No. 179*a*.

### II. CHANGE IN THE ORDER AND CHARACTERISTICS OF THE LIGHT AT WINDMILL POINT, HEAD OF DETROIT RIVER, MICHIGAN.

Notice is given by the United States of America Lighthouse Board that, on or about December 7th, 1890, the light at Windmill Point, head of Detroit River, Michigan, will be changed from a 5th-order fixed white light, varied by a red flash every 90 seconds, to a fixed white light of the 4th-order, varied by a red flash every 15 seconds.

This notice affects Admiralty Charts Nos. 330, 332, 490 and 678.

### III. RE-ESTABLISHMENT OF THE LIGHT AT MARQUETTE BREAKWATER, LAKE SUPERIOR, MICHIGAN.

Notice is also given by the same Board that, on or about December 4th, 1890, the fixed red light of the 6th-order will be re-established in a structure recently erected on the south end of the breakwater at Marquette. Lake Superior, Michigan. Also that, on the same date, the temporary light on the breakwater will be discontinued.

The light will, as heretofore, illuminate 180° of the horizon.

The focal plane is 35 feet above mean lake-level. The light should be seen, in clear weather, about 7⅓ miles.

The structure consists of a brown skeleton iron tower, square in plan, with square architrave and cornice, surmounted by a circular iron parapet, 10 feet in diameter and 7 feet 6 inches high, bearing the lantern gallery and an octagonal black lantern.

This notice affects Admiralty Chart No. 320.

### BILL DE REFONTE DES LOIS CONCERNANT LA JURIDICTION ÉTRANGÈRE.

MÉMOIRE.

L'objet de ce projet de loi est de refondre les Actes de juridiction étrangère, avec telles modifications seulement qui découlent nécessairement du procédé de refonte. Les modifications sont expliquées dans les notes ci-dessous.

*Article* 4.

Les mots " ou tenu sous l'autorité de Sa Majesté " sont ajoutés afin de comprendre les tribunaux établis en vertu des Actes de juridiction étrangère.

*Article* 4.

L'Acte de la preuve par commission, 1885, a été ajouté aux actes compris dans l'annexe de l'Acte de juridiction étrangère, 1878, comme étant une disposition modifiant les actes de la dite annexe.

*Article* 6.

Des mots ont été ajoutés donnant pouvoir de définir par arrêté en conseil ce qu'on entend par l'expression " cour criminelle suprême."

*Article* 7.

En conséquence du changement apporté à la loi relativement aux travaux forcés, les articles 5 et 6 de l'Acte de juridiction étrangère, 1843, ne peuvent être exactement reproduits. Le nouvel article reproduit en substance le pouvoir donné par ces articles de transférer les délinquants pour punition, mais substitut le rouage établi par le plus récent Acte de la translation des détenus coloniaux de 1869.

*Article* 12.

Cet article énonce les dispositions de 28-29 V., c. 63, au lieu de les appliquer par renvoi.

*Articles* 17 *et* 18.

Les actes 24-25 Vic. ch. 31, quant aux territoires près de Sierra Leone, et 26-27 Vic. ch. 75, quant à certaines parties de l'Afrique du Sud, sont pratiquement remplacées par l'article 5 de l'Acte de juridiction étrangère, 1878 (41-42 Vic. ch. 67), qui s'étendrait à toute l'Afrique et non pas seulement aux petites parties mentionnées dans les susdits actes. En conséquence un arrêté en conseil pourrait en aucun temps remplacer les dispositions de ces actes. L'acte 20-21 Vic. ch. 75, quant à Siam, aurait été inutile si l'arrêté en conseil auquel il réfère avait été passé depuis l'adoption du dernier acte 29-30 Vic. ch. 89, art. 1 (reproduit par l'article 9.) L'acte modificatif 33-34 Vic. ch. 55, déclare simplement quel tribunal doit exercer juridiction en vertu des arrêtés en conseil antérieurs. Ceci pourrait être fait au moyen d'un arrêté en conseil supplémentaire. En conséquence il est proposé d'abroger tous ces actes comme tels, mais de les laisser en vigueur comme s'ils étaient des arrêtés en conseil passés en vertu du présent projet de loi. On peut trouver un précédent pour cette manière d'agir dans 37-38 Vic. ch. 29, art. 3.

Les articles 6 et 7 de l'Acte pour la protection des insulaires du Pacifique, 1875 (38-39 Vic. ch. 51), sont presque identiques, mais vu que les pouvoirs conférés par l'article 6 doivent pour la plupart être exercés au moyen d'arrêtés en conseil, il exige un langage un peu différent.

---

ARRANGEMENT DES ARTICLES.

Art.

1. Exercice de juridiction en pays étranger.
2. Exercice de juridiction sur des sujets anglais dans des pays qui n'ont pas de gouvernement réguliers.
3. Validité des actes faits en conformité de la juridiction.
4. Preuve quant à l'existence ou l'étendue de juridiction en pays étranger.
5. Pouvoir d'étendre les statuts dans la première annexe.

6. Pouvoir d'envoyer les personnes accusées de délits dans une possession anglaise pour y être jugées.
7. Disposition quant à l'endroit de punition des personnes condamnées.
8. Validité des actes faits en vertu d'un arrêté en conseil.
9. Pouvoir de conférer juridiction à des cours anglaises dans les cas tombant sous l'Acte de juridiction étrangère.
10. Pouvoir de modifier les arrêtés en conseil.

## CHAPITRE 37.

### Acte à l'effet de refondre les Actes concernant la juridiction étrangère.

[4 août 1890.]

CONSIDÉRANT que par traité, capitulation, cession, usage, tolérance et autres moyens légitimes, Sa Majesté la Reine a juridiction dans divers pays étrangers, et qu'il est à propos de refondre les actes concernant l'exercice de la juridiction de Sa Majesté en dehors de Ses possessions :

Qu'il soit statué, par Sa Très Excellente Majesté la Reine, par et avec l'avis et le consentement des Lords spirituels et temporels et des Communes assemblés en ce présent parlement, et par son autorité, comme suit :

1. Il est et il sera loisible à Sa Majesté la Reine de posséder, exercer et jouir de toute juridiction que Sa Majesté a actuellement ou qu'Elle pourra en tout temps à l'avenir avoir dans un pays étranger, aussi amplement et efficacement que si Sa Majesté avait acquis cette juridiction par la cession ou la conquête de territoire.

2. Quand un pays étranger n'est pas soumis à un gouvernement duquel Sa Majesté la Reine pourrait obtenir juridiction en la manière citée au présent acte, Sa Majesté aura, en vertu du présent acte, juridiction sur les sujets de Sa Majesté résidant alors dans ce pays-là ou le fréquentant, et cette juridiction signifiera juridiction de Sa Majesté dans un pays étranger selon l'intention des autres dispositions du présent acte.

3. Tout acte et chose fait en conformité de toute juridiction de Sa Majesté dans un pays étranger, sera aussi valable que s'il avait été fait suivant la loi locale alors en vigueur dans ce pays-là.

4. Si, dans toute poursuite, au civil ou au criminel, devant un tribunal des possessions de Sa Majesté, ou tenu sous l'autorité de Sa Majesté, un doute est soulevé quant à l'existence ou l'étendue de toute juridiction de Sa Majesté dans un pays étranger, un secrétaire d'Etat transmettra au tribunal, à la demande de ce tribunal, et sous un délai raisonnable, sa décision sur la question, et sa décision sera finale pour toutes les fins de cette poursuite.

(2.) Le tribunal enverra au secrétaire d'Etat, dans un document revêtu du sceau du tribunal, ou signé par un juge du tribunal, des questions dressées de manière à bien exposer le cas, et des réponses suffisantes à ces questions seront renvoyées au tribunal par le secrétaire d'Etat, et ces réponses seront, lors de leur production, une preuve concluante des matières y contenues.

5.—(1) Il sera loisible à Sa Majesté la Reine en conseil, si Elle le juge à propos, d'ordonner par arrêté que tous et chacun des statuts décrits dans la première annexe du présent acte, ou tout statut alors en vigueur les modifiant ou les remplaçant, s'étendront avec ou sans exceptions, adaptations ou modifications dans l'arrêté mentionné, à tout pays étranger dans lequel Sa Majesté a alors juridiction.

(2) Là-dessus ces statuts auront, selon la portée de cette juridiction, le même effet que si ce pays était une possession anglaise, et que si Sa Majesté en conseil était la législature de cette possession.

6.—(1) Quand une personne est accusée d'un délit puni par un tribunal anglais dans un pays étranger, toute personne autorisée à cet effet par Sa Majesté pourra, par mandat, envoyer la personne ainsi accusée dans toute possession anglaise alors désignée à cet effet par arrêté en conseil pour y être jugée, et à l'arrivée de la personne ainsi accusée dans cette possession anglaise, la cour criminelle de cette possession qui est autorisée à cet effet par arrêté en conseil, ou, s'il n'existe pas de tribunal ainsi autorisé, la cour criminelle suprême de cette possession, pourra la faire détenir dans un lieu sûr, et aussitôt que la chose pourra convenablement se faire, instruira, jugera et déterminera le délit, et sur conviction punira le délinquant suivant les lois en vigueur à cet effet dans cette possession de la même manière que si le délit avait été commis dans la juridiction de cette cour criminelle.

Pourvu que—

(*a.*) Toute personne ainsi accusée pourra, avant d'être ainsi envoyée pour subir son procès, offrir pour être interrogé devant un tribunal anglais dans le pays étranger où le délit est censé avoir été commis, tout témoin compétent dont le témoignage lui paraît essentiel à sa défense, et qu'il allègue ne pouvoir produire lui-même au procès dans la possession anglaise :

(*b.*) Dans ce cas le tribunal anglais dans le pays étranger procédera à l'interrogatoire et contre-interrogatoire du témoin de même que s'il avait été produit dans une cause devant ce tribunal, et fera prendre par écrit le témoignage ainsi rendu, et transmettra à la cour criminelle de la possession anglaise qui doit juger la personne accusée, une copie du témoignage certifiée exacte sous le sceau du tribunal devant lequel le témoignage a été rendu, ou la signature d'un juge de ce tribunal :

(*c.*) Là-dessus le tribunal de la possession anglaise devant lequel le procès s'instruit, permettra que telle partie du témoignage ainsi rendu qui serait admissible suivant la loi et la pratique de ce tribunal, si le témoin avait été produit et interrogé au procès, soit lue et reçue comme preuve au procès :

(*d.*) Le tribunal de la possession anglaise admettre et donnera cours à la loi en vertu de laquella le prévenu aurait été jugé par le tribunal anglais dans le pays étranger où le délit est censé avoir été commis, en tant que cette loi concerne la criminalité de l'acte censé avoir été commis, ou la nature ou degré du délit, ou sa punition, si la loi diffère sous ces rapports de la loi en vigueur dans cette possession anglaise.

(2.) Rien dans le présent article ne changera ni n'altérera aucune loi, statut, ou usage en vertu duquel un délit commis en dehors des possessions de Sa Majesté pourrait, si le présent acte n'avait pas été passé, être instruit, jugé, déterminé et puni dans les possessions de Sa Majesté, ou toute partie d'icelle.

7. Quand un délinquant trouvé coupable devant un tribunal anglais dans une possession anglaise a été condamné par ce tribunal à la peine de mort, aux travaux forcés, à l'emprisonnement, ou à toute autre peine, la sentence sera mise à exécution à l'endroit qui sera fixé par arrêté en conseil ou déterminé en conformité d'ordres donnés par arrêté en conseil, et la conviction et sentence seront du même degré à l'endroit où la sentence est ainsi exécutée que si la conviction avait été obtenue et la sentence prononcée par un tribunal compétent de cet endroit.

8. Lorsque, par arrêté en conseil passé en conformité du présent acte, un tribunal anglais dans un pays étranger est autorisé à ordonner la translation ou la déportation d'une personne de ce pays, cette translation ou cette déportation, et toute détention à cette fin, conformément aux dispositions de l'arrêté en conseil, seront aussi légaux que si l'ordre du tribunal devait être exécuté entièrement dans le dit pays.

9. Il sera loisible à Sa Majesté la Reine en conseil, par arrêté, d'assigner ou de conférer à tout tribunal dans une possession anglaise, ou tenu sous l'autorité de Sa Majesté, toute juridiction, au civil ou au criminel, de première instance ou d'appel, qui peut légalement être assignée ou conférée à un tribunal anglais dans un

pays étranger par arrêté en conseil, et d'établir telles dispositions et tels règlements que Sa Majesté en conseil jugera à propos concernant l'exercice de la juridiction ainsi assignée ou conférée, et concernant la mise en vigueur et l'exécution des jugements, décrets, ordres et sentences de tout tel tribunal, et concernant les appels de ce tribunal.

10. Il sera loisible à Sa Majesté la Reine en conseil de révoquer ou modifier tout arrêté en conseil passé en conformité du présent acte.

11. Chaque arrêté en conseil passé en conformité du présent acte sera soumis aux deux Chambres du parlement aussitôt après sa passation, si le parlement siège alors, et sinon, immédiatement après le commencement de la session alors ensuivante du parlement, et aura le même effet que s'il avait été inséré dans le présent acte.

12.—(1.) Si un arrêté en conseil rendu en conformité du présent acte au sujet d'un pays étranger est incompatible sous quelque rapport avec les dispositions d'un acte quelconque du parlement applicable aux sujets de Sa Majesté dans le dit pays, ou incompatible avec tout ordre ou règlement fait sous l'autorité de tout tel acte du parlement, ou ayant dans le dit pays la force et vigueur de tout tel acte, il sera interprété dans le sens de tel acte, ordre ou règlement, et sera nul et non avenu suivant le degré de telle incompatibilité, mais non autrement.

(2.) Un arrêté en conseil fait en conformité du présent acte ne sera ni ne sera censé être nul pour cause d'incompatibilité avec la loi d'Angleterre, sauf s'il vient en conflit avec les dispositions de quelque acte du parlement, ordre ou règlement comme susdit.

13.—(1.) Une action, poursuite ou procédure contre une personne pour un acte fait en conformité ou en exécution ou en exécution projetée du présent acte, ou d'un statut abrogé par le présent acte, ou d'un arrêté en conseil fait en vertu du présent acte, ou de telle juridiction de Sa Majesté spécifiée dans le présent acte, ou au sujet de négligence ou défaut supposé dans l'exécution du présent acte, ou de tout tel statut, arrêté en conseil ou juridiction comme susdit, ne sera du ressort ni ne sera intentée—

- (*a*.) dans aucun tribunal dans les possessions de Sa Majesté, à moins qu'elle ne soit commencée sous les six mois qui suivront l'acte, la négligence ou le défaut dont on se plaint, ou, dans le cas d'une continuation de torts ou de dommages, sous les six mois qui suivront immédiatement la cessation de ces torts ou dommages, ou, lorsque la cause de l'action a pris naissance en dehors des possessions de Sa Majesté, sous les six mois après que les parties à l'action, la poursuite ou procédure ont été dans la juridiction du tribunal dans lequel a été intentée la cause ; ni—
- (*b*) Dans aucun des tribunaux de Sa Majesté, en dehors des possessions de Sa Majesté, à moins que la cause de l'action n'ait pris naissance dans la juridiction de ce tribunal, et que l'action ne soit commencée sous les six mois immédiatement après l'acte, la négligence ou défaut dont on se plaint, ou, dans le cas de continuation de torts ou dommages, sous les six mois après qu'ils auront cessé.

(2.) Dans toute telle action, poursuite ou procédure, l'offre de réparation avant le commencement du procès pourra être plaidée au lieu et en sus de toute autre défense. Si l'action, poursuite ou procédure était commencée avant cette offre, ou est continuée après le paiement en cour de tous deniers en satisfaction de la réclamation du plaignant, et si le plaignant ne recouvre pas plus que la somme offerte ou payée, il n'aura pas droit à aucuns frais encourus après cette offre ou paiement, et le défendeur aura droit aux frais, qui seront taxés comme entre solliciteur et client, à compter de l'époque de cette offre ou paiement ; mais la présente disposition n'affectera pas les frais d'injonction dans une action, poursuite ou procédure.

14. Il sera loisible à Sa Majesté la Reine en conseil de faire toute loi qui paraîtra convenable pour la gouverne des sujets de Sa Majesté qui se trouvent sur tout navire à une distance de pas plus de cent milles des côtes de la Chine ou du Japon, aussi amplement et effectivement que toute telle loi pourrait être faite par Sa Majesté en conseil pour la gouverne des sujets de Sa Majesté se trouvant en Chine ou au Japon.

15. Quand un arrêté en conseil passé en conformité du présent acte s'étend à des personnes jouissant de la protection de Sa Majesté, cette expression comprendra tous sujets des divers princes et états de l'Inde.

16. Dans le présent acte—

L'expression " pays étranger " signifie tout pays ou endroit en dehors des possessions de Sa Majesté ;

L'expression " tribunal anglais dans un pays étranger " signifie tout tribunal anglais ayant juridiction en dehors des possessions de Sa Majesté en vertu d'un arrêté en conseil passé en conformité d'un acte ou autrement ;

L'expression " juridiction " comprend pouvoir.

17. Les actes mentionnés dans la deuxième annexe du présent acte pourront être abrogés ou modifiés par Sa Majesté par arrêté en conseil.

18. Les actes mentionnés dans la troisième annexe du présent acte sont par le présent abrogés tel que mentionné dans la troisième colonne de la dite annexe: Pourvu que—

(1.) Tout arrêté en conseil, commission ou instructions passé, donnée ou émises en conformité de tout statut abrogé par le présent acte, et qui seront en vigueur lors de la passation du présent acte, continueront en vigueur jusqu'à ce qu'ils soient altérés ou révoqués par Sa Majesté, comme s'ils avaient été faits en conformité du présent acte ; et pour les fins du présent acte, seront censés avoir été passé, donné ou émises en vertu et en conformité du présent acte ; et

(2.) Tout statut, arrêté en conseil ou document se rapportant à un statut abrogé par le présent acte, sera censé se rapporter au statut correspondant du présent acte.

19.—(1.) Le présent acte pourra être cité sous le titre de " Acte de juridiction étrangère, 1890."

(2.) Les actes dont les titres abrégés sont donnés dans la première annexe du présent acte pourront être cités par leurs titres abrégés donnés dans la dite annexe.

PRÉSENT :

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT qu'il est pourvu par la clause 2 des Règlements concernant la vente de terres fédérales contenant des minéraux autres que la houille, établis par l'arrêté en conseil du 9e jour de novembre 1889, chapitre 99 des Arrêtés en conseil refondus du Canada, qu'aucune concession minière ou emplacement minier ne sera accordé avant la découverte d'une veine, d'un filon ou gisement de minerai ou métal dans les limites de la concession ou de l'emplacement.

Et considérant qu'il est jugé que cette disposition pourrait avoir l'effet de retarder le développement des terres supposées contenir du pétrole,—

A ces causes il plaît à Son Excellence, en vertu de l'autorité qui lui est conférée par “ l'Acte des terres fédérales,” chapitre 54 des Statuts Revisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que le dit article ainsi que l'article 2 de l'arrêté en conseil du 5e jour d'octobre 1887, établissant des règlements pour la vente de terrains miniers autres que des terrains houillers, soient et ils sont par le présent modifiés de manière qu'un requérant, qui s'est d'ailleurs conformé aux exigences des règlements, pourra obtenir une inscription pour une concession en par lui faisant une déclaration sous serment que d'après les indices il croit véritablement qu'il existe du pétrole sur la concession demandée, la concession ne devant pas, toutefois, être vendue au requérant sous la période de cinq ans à compter de la date de l'inscription prescrite par les règlements, sauf s'il peut, en sus de s'être conformé aux exigences susdites, prouver à la satisfaction du ministre de l'Intérieur qu'il a sur cette concession au moins un puits de pétrole en opération, et qu'il en retire du pétrole en quantités rémunératives ; pourvu aussi que si, à l'expiration de cinq ans après la date à laquelle le requérant obtient une inscription, il ne peut fournir la dite preuve, l'inscription sera annulée, et les droits et privilèges de la personne obtenant l'inscription cessera alors et là à l'égard de cette concession.

# AVIS DU GOUVERNEMENT.

## AVIS AUX MARINS.

### N° 64 de 1890.

## CHANGEMENTS AUX STATIONS DE SIGNAUX DANS LE FLEUVE ET GOLFE SAINT-LAURENT.

Les changements suivants ont été apportés aux stations de signaux maritimes énumérées dans l'Avis aux Marins n° 5 de 1886 :—

1. Le sémaphore au phare de la Rivière-du-Loup n'est plus en usage, mais la station continue comme station de pavillons et de télégraphe.

2. La station au phare des Pots-à-l'Eau-de-vie a été discontinuée.

3. La station de pavillons et d'avis des glaces au phare de l'Etang-du-Nord, sur les îles de la Madeleine, a été discontinuée.

4. La station de pavillons, de télégraphe et d'avis des glaces sur le Gros Rocher des Oiseaux, a aussi été discontinuée, et le câble qui relie cette station avec la Grosse-Isle a été relevé ; toutefois les pavillons ont été retenus au phare, pour le cas où le gardien du phare aurait besoin de signaler des navires.

5. Un câble a été posé entre Meat Cove, sur l'extrémité nord de l'île du Cap-Breton, et l'île Saint-Paul, et une station de pavillons et de télégraphe a été établie à l'établissement principal sur l'île Saint-Paul, à environ 537 milles de Québec. On peut obtenir à cette station tous les renseignements voulus, pendant les mois d'avril et mai, touchant l'état de la glace dans le fleuve et le golfe.

6. Les diverses stations sur l'île de Sable, au large de la côte sud-est de la Nouvelle-Ecosse, ont été reliées par téléphone dans le but de faciliter les communications entre les différentes parties de l'île.

7. L'usage de sémaphores à toutes les stations a été abandonné, vu que les navires préféraient le code de signaux par pavillons.

Cet avis affecte des cartes de l'Amirauté Nos 232*a*, 302, 306 à 315, 1134, 1147, 1149, 1150, 2171, 2516, 2666 et 2727, et la Liste des phares canadiens Nos 7*a*, 9*a*, 10, 13, 32, 36 et 50.

Les règles et règlements pour la gouverne de toutes les stations de signaux maritimes dans le fleuve et le golfe, sont ici reproduits pour la commodité des marins.

## RÈGLES ET RÈGLEMENTS.

1. Les noms des navires qui exhibent leurs numéros distinctifs seront transmis à la presse locale (pour publication seulement) *gratis*.

2. Les dépêches envoyées à ou par des navires à distance convenable, par le Code International, soit par pavillons ou sémaphores, seront dûment transmises telles qu'adressées.

3. Les taux ordinaires de télégraphe seront exigés pour les dépêches entre stations ; mais il ne sera rien exiger pour signaler entre des stations de côte et des navires en mer.

4. Les dépêches pourront (sur demande spéciale) être livrées en chiffre, autrement elles seront transmises en langage ordinaire.

5. Les navires pourront obtenir des renseignements quant au vent, la température et la glace à toute station de signaux dans le fleuve et le golfe Saint-Laurent *gratis*.

6. Les stations sur les îles d'Anticosti, Amherst, Grosse-Ile et Saint-Paul, à Meat Cove et au Cap Ray, sont spécialement tenues au courant de l'état de la navigation dans le fleuve et le golfe pendant les mois d'avril et mai.

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Québec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

*(a.)* Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

*(b.)* Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."
